St. Peter's Church Will Observe 90th Anniversary Sunday

St. Peter's Evangelical and Reformed church of Frankfort will observe its 90th anniversary Sunday, Nov. 3, with two services, one at 10:30 a.m. and the other at 7:30 p.m.

The Rev. Robert Stanger, D. D., president of Elmhurst college, at Elmhurst, Ill., will be the speaker at the morning service.

At the evening service the Rev. Robert Klepper, of Prospect Heights, Ill., a son of Mrs. Fred Klepper of Frankfort, will deliver a brief message. This service will take place in the church parlor. Presidents of the various church organizations will speak also.

Movies of church activities will be shown in the evening and at the end of the service refreshments are to be served. Friends of the church, as well as members, are invited.

St. Peter's church had its beginning in 1867. It began with 12 charter members and the early growth was slow but the last three pastorates have been long and fruitful. The present membership is more than 800.

In the past 67 years St. Peter church has had but three ministers. The Rev. Gustave Lambrecht, first of the trio, served the congregation 36 years. He was succeeded by the Rev. George Gerhold who was pastor for 16 and the present pastor, the Rev. Erich G. Bizer, is completing his 15th year.

The first church was built in 1868 and it served the community until 1916 when the present edifice was completed. The parsonage was erected in 1926 and the Educational Annex in 1953. The property is in good shape and a credit to the congregation.

Strong, hardworking organizations are functioning. The Sunday school, the Women's Guild, the Brotherhood, two Youth Fellowshipships and two choirs are supporting the program of the church.

Henry Miller, 72, Dies Suddenly

Henry Miller, late of 102 Haven ave., New Lenox, died suddenly in his home Saturday evening as he and his wife were watching television.

Born in Mokena Nov. 13, 1884, the son of the late Mr. and Mrs. John Miller, he moved as a child with his parents to Manhattan and when 18 years of age located in New Lenox where he has lived since. He later established himself as a contractor in the painting and paper hanging business which craft he followed for the past 45 years. He was well respected and recognized for his high quality of workmanship. He was a member of the New Lenox Methodist church.

On June 14, 1913 he was united in marriage with the former Miss Alice Nelson of New Lenox.

Surviving beside his wife is a daughter Lois, Mrs. Henry Engel; two grand children; a brother Elvis, Joliet; two sisters, Mrs. Mary Ferguson, Oregon and Mrs. Esther Downey, Peoria.

Removal was made to the Bas kerville chapel, New Lenox. Funeral services were held in the Methodist church Tuesday afternoon with the pastor, the Rev. George W. Martin officiating, assisted by the Rev. Morrison C. Calloway, Aurora, a former pastor. Burial was made in Maplewood cemetery, New Lenox.

Say Interest Will Meet Sewer Service Charge To Residents

Mokena Area To Get Big Phone Book In March

Mokena's next telephone directory will be "new and improved, with wide-range listings for faster and more convenient service," telephone manager Howard Gramm announced today.

This "new look" directory, to be issued next March, will provide alphabetical listings for the entire Joliet region. At present only Frankfort, New Lenox and Mokena are listed in the Mokena directory. The new book will cover these towns plus, Joliet, Romeo, Lockport, Plainfield, Lemont, Rockdale, Channahon, Minooka, Manhattan, Elwood, Wilmington, and Braidwood.

"This change will make the directory more useful to Mokena telephone users," said Gramm. "Surveys show that many of our customers want a wider-range directory to match modern calling patterns."

Will Make Calling Easier

"As our community and the surrounding area continue to grow, more and more people need to keep in touch with friends throughout the Joliet region. With all phones in this region listed in the Mokena directory, calling will be easier."

Classified listings in the yellow pages will continue as at present except for the addition of Manhattan.

The colorful format introduced in the Mokena directory this year will be continued. In addition, the new directory cover will show a map of the Joliet region and all towns and communities in it covered by the alphabetical listings.

Easier to Read

Gramm explained that because more numbers are provided, the directory will shift from its present "digest" size to the popular "magazine" style and will have four alphabetical columns to a page.

The type size in the white pages will be slightly smaller to prevent the book from becoming bulky. Another innovation is that the paper will be specially coated to give it more whiteness and make it easier to read.

"We feel," said Gramm, "that our customers here in Mokena will like this new directory because it will provide modern, wide-range directory service in a single easy-to-handle book."

Mokena Lions Yearly Windshield Washing Is Set for Saturday

The Mokena Lions will be cleaning car windshields on Saturday, starting at 8 a.m., at two locations; Mokena and Front sts., and in front of the Shopping Bag.

The Lions perform these chores to raise money for community projects. This is one of their annual fund-raising events.

Grabbed by Man at Entrance to School

A woman, one of a group about to enter Lincoln-Way High school to attend adult classes, Tuesday night, was seized by a man who grabbed her as she passed some shrubbery where he had been hiding.

Her screams brought janitors in the school to the scene. When the woman broke loose from his grasp, the man disappeared in the darkness.

St. Mary Bazaar To Be Held Next Week, Nov. 8 - 9

The women of St. Mary's parish, Mokena, have been busy on various projects for the forthcoming bazaar, to be held Friday and Saturday, Nov. 8 and 9, from 6 to 9 p.m. on Friday and 4 to 9 p.m. on Saturday.

They plan to feature many new items this year. One of these will be the College Corner, featuring novelty pillows and stuffed animals, plus many other items for college students.

Another new feature is the flower booth with many novel plants, planters, and table settings.

The usual assortment of jewelry and plastics will be displayed at reasonable prices, plus many more other items.

Mrs. Arthur Marshall is chairman of the bazaar.

On Sunday, Nov. 10, a roast beef dinner, served family style, will wind up the three-day event. Serving will start at 12 noon.

Mrs. Beatrice Olson is chairman of dinner.

A country store, where home-made goodies of every description will be on sale, such as pies, home canned goods, honey, jellies, preserves, candy, and cookies, is featured for the closing day.

Suspend Driver's License of Mokenan; Fine 3 Motorists

Three traffic violations within the past 12 months—none of which took place at Mokena—has resulted in suspension of the driver's license of Ted Delutri, 44, of 18939 S. 113th ave., Mokena, by Secretary of State Charles Carpenter. Notice of the suspension order has been filed with Mokena Police Chief James Smetana.

Mokena police have a traffic case pending that Justice of the Peace August Werner, acting as police magistrate, has continued twice because the defendant failed to appear altho notified to do so. The defendant, William Westman, 16, of 213 S. Ashland, LaGrange, ran a stop sign and

(Continued to page 12)

The time for Mokena residents to apply for sewer service without a connection fee is rapidly running out, village officials pointed out this week.

On Oct. 24 the village board enacted an ordinance establishing a connection fee of \$100 for persons who apply for sewer service after Nov. 15.

To date 270 persons have filed applications for service. A total of 300 is required by the financial firms who will issue and sell the bonds necessary to meet the cost of the proposed sewer system.

And speaking of bonds the firms who plan to issue them will accept orders from local buyers for same next week, at the village hall:

Thursday, Nov. 7 from 7 to 9 p.m.

Saturday, Nov. 9 from 10 a.m. to 12 noon.

It was pointed out by village officials that the proposed revenue bonds carry 5% interest, and that the interest is free from all federal income taxes.

They state that for Mokena residents the return on one \$1,000 revenue bond will approximately pay the annual rate for sewerage service, and in addition the amount invested will be returned when the bond matures.

Under the proposed rates to be charged it is said by engineers that the bill for the average homeowner will run less than \$7 a month for both water and sewer.

In pointing out that property owners who have not yet applied for sewer service can save money by doing so before Nov. 15, officials reminded them that an ordinance also has been passed abolishing septic tanks after construction of the sewer within 30 days after it is completed.

Under the ordinance persons will be billed for sewer service after the system is completed, whether they are connected or not, and repeated that a connection fee of \$100 will be charged after Nov. 15.

Placed on Probation For Area Burglaries

Four Tinley Park teenagers and their 33-year old accomplice in a number of area burglaries, were placed on probation by Judge Harold P. O'Connell when arraigned in criminal court last Thursday.

Keithal Parmar, 19, is on probation for five years, and the remainder of the gang, Joseph Blount, 17; Wayne Willis, 18; Sanford DeBlake, 18; and Wilfred Hynous, are on probation for three years.

Of the two Tinley Park juveniles also involved in the burglaries, who were sent to St. Charles School for Boys, one has been released.

Included in the burglaries committed by the gang was the Frankfort Hardware store, in Frankfort, where guns, knives, and ammunition were taken. No charges have as yet been placed against them on this burglary by Will County police.

NO TIME FOR DIVISION

Events moved fast after the Soviet launching of Sputnik, the "baby moon"—coming as it did, hard on the heels of a Soviet claim that they had perfected some form of interplanetary ballistic missile.

The initial reaction to the earth satellite, naturally enough, was generally one of surprise and shock. The ballistics missile claim could and has been discounted to some extent. But Sputnik was something else again. It was no communist propaganda trick. Scientists and others the world over saw and tracked the satellite—whizzing around the earth at 18,000 miles and hour at a height of more than 500 miles—and recorded its radio transmissions.

The concern, of course, was not over the satellite itself. Sputnik was not a weapon, and there was no reason to fear it. The great danger—in western eyes—is that Soviet science may have a big lead on the rest of the world, most particularly in the field of rocketry. The satellite, according to the scientists, must have been launched by a staged rocket—a device which is almost unbelievably complex and difficult to construct. Such rockets, once they are sufficiently developed, will be able to launch guided missiles of great accuracy and almost limitless range. And it is no secret that this country and the Soviet Union are in a grim race to produce practical intercontinental missiles with H-bomb warheads.

President Eisenhower, a few days after Sputnik's launching, went to considerable length to discount the military importance of the satellite, and to reassure this country as to where we stand. Soon, he said, we will send up a series of small test satellites, and in March launch one scientifically superior to the Russian's. And he stressed that we are giving top priority to missile development.

However, there is no doubt that the satellite has given Washington a great deal to think about. The new Secretary of Defense, Neil H. McElroy, said at his first press conference that it may be necessary to speed the missile program. The satellite, he added, proves that Soviet science has made great progress with missiles.

That brings up a really big three-pronged question—are we lagging behind in the missile race; if so, why, and what can be done about it? Numerous experts think we may be lagging, and one reason is frequently given. The Portland Oregonian puts it in these words: "The U.S. missile program is lagging chiefly because of jealousies and bickering among the three armed services competing in this field, and because the U.S. Defense department has failed to force them to work together amicably." There is small doubt that the Army, the Navy, and the Air Force have all tired light—and to obtain the lion's share of the vast funds involved in missile research, testing and development. The result, say many observers, has been a waste of money, materials, manpower and what may be the most precious commodity of all—time.

The Oregonian proposes a simple solution—that we "get all our brains in the same laboratory, and quit worrying about the color of the uniforms." If the Soviet satellite helps to bring that about, our cold war enemies will obviously have done us a big favor.

GRASSROOTS OPINION

Plainfield, Ind. Messenger: "There was a time, we grant you, when factories were obnox-

ious because of their smoke belching chimneys, their unattractive buildings and grounds and their untidiness but that day has long since past. Present day firms which construct new plants make them as attractive as parks with landscaping and neat and attractive buildings of the latest design, air conditioned with every facility to make the worker comfortable and neat. They are a credit to any community and certainly don't hurt the assessment valuation on which tax rates are based."

Clover, S. C., Herald: "Each and every citizen . . . should contribute some amount, whether small or large, to the United Fund Drive."

Tifton, Ga., Gazette: "America's growing labor force needs thoughtful leadership bent upon serving its legitimate needs in an era of swift change. What it can do without is the kind of irresponsible leadership that simply dangles bigger bunches of bigger carrots in front of the workers each time major negotiations come up."

Altamont, Kansas, Journal: "Thru research, conservation, education, electrification and mechanization, farmers have increased their efficiency in production and marketing. About 70 per cent of all crop acreage in 1954 was planted to varieties not even in existence on a commercial scale 20 years earlier."

Winnemucca, Nev., Humboldt Star: "The news from John Hopkins that Dr. Winston H. Price has come up with the first successful vaccine against one of the common cold deserves to be hailed widely—and it will be. Amid the cheering, however, a few sad notes will be struck. When the common cold begins to go, along with it will go the best copper-riveted excuse for sleeping in that was ever devised by man."

YOUR \$2,400 TAX BILL

Are you interested in starting facts? Here's one produced by a recent study: Last year taxes—levied by the federal state and local governments—took an average of \$2,400 from each of America's 42 million families. Part of this was paid directly and part of it indirectly. Either way, it came out of our pockets and left us poorer.

The Bremen Beat

By EDWIN BRUELL

Senior students at Bremen Community high school are eligible to compete for more than 100 four-year scholarships offered by General Motors under its national scholarship plan, according to Robert Moser, director of guidance at Bremen. The competition is open to seniors who plan to take the college entrance board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for the award.

There is at least one such award in each state and more than 50 winners chosen at large. Seniors awarded scholarships college or university of their under this plan may attend any choice and pursue any course of study they may select.

Selection of award winners in the national plan is made by a group of educators from various parts of the country. Full details of the competition, including registration dates for

examination, are available in Moser's office.

This company offers other scholarships under its college plan with 300 four-year scholarships awarded annually by 178 colleges and universities in the 48 states and the District of Columbia. A list of the participating colleges may be obtained from the Bremen guidance office.

Selection of award winners is made by the respective colleges and universities. Students wishing to be considered under this plan should apply directly to the colleges of their choice.

Willy is Coming

How would you like to have your date for dance handpicked by three maiden aunts?

Or your career chosen by the same oversollicitous spinsters?

This is the situation that confronts the bewildered Willoughby, played by Fred Heft, in "The Inner Willy" to be presented at Bremen Community high school Friday, Nov. 15, at 8 p.m.

The three-act comedy by Betty Knapp has four boys and seven girl parts with Preston Wakeland as the impish Inner Willy, and the three overprotective Aunts Olga, Hester, and Louise portrayed by Karen Tower, Sandra Hodurek, and Helen Kuech respectively.

Others in the cast, under the direction of Mildred Ellington, are Paul Fredericke, Wally Hedlund, Fran Koski, Karen Dugman, Kay Swisher, and Donna Olson.

The play is said to be packed with laughs, as dutiful Willoughby, whose life ambition is to be a geologist, finds himself henpecked at every turn into becoming an architect, a lawyer (heaven forbid!) a musician. Finally the Inner Willy emerges in an invisible form to play waggish pranks designed to make Willoughby into the man he wishes to be.

"The comedy has a great deal of appeal with many farcical situations," Mrs. Ellington said. Mrs. Mary Schultze is assisting in the play, under the auspices of the Troupers, Bremen dramatics club. A number of committees of students are aiding in staging, properties, and lighting.

250 Join Girls Club

The Girl's club of Bremen Community high school recently held a membership drive with 250 students joining.

Its next big project will be the Thanksgiving Drive for needy families of the area, at which baskets will be distributed from donations by Bremen students. "This drive has been quite successful in the past because of the co-operation of the entire student body," Geneva Schultze, faculty sponsor said. Other Girls' club highlights will be the all-school Christmas dance, Saturday, Dec. 21, and the mother-daughter banquet Saturday, May 3. Plans for a picnic toward the end of the year are also in the offing.

Two hundred girls attended the recent get-acquainted tea, and a large number were on hand for the big sister tea Oct. 15. The purpose of the big sister grouping at Bremen is to help orient the freshman girls by aid-

ing them with their problems.

Pat McDonald, senior, is president of the organization, assisted by Lynn Alvers and Darlene Schmidt, seniors, who are vice-presidents. Jeanette Rizutti, sophomore, is secretary, and Caroline Sorn, junior, is treasurer.

Marion Imbery is assistant faculty sponsor.

Postmaster and Wife Injured in Auto Crash in Florida

Mr. and Mrs. Harry Dean suffered minor injuries in an automobile accident in Florida this week, which totally demolished their car.

Mr. Dean, who is postmaster in Tinley Park, and his wife Stella, had visited Mrs. Dean's parents in Oklahoma, to attend a celebration of her parents 60th wedding anniversary.

Their son, who lives in Florida, was driving when the acci-

dent occurred.

Mrs. Dean suffered lacerations on the mouth requiring stitches and her husband a bump on the head, it has been reported. The Dean's will make the return trip in a new car.

Phoenician tombs estimated to be 3,000 years old have been unearthed by heavy construction machinery at Rota, Spain where the U. S. Navy is building a modern air-sea base.

Jaquelyn McCoy Becomes Bride Of David Arnold At Church Rites

The Calvary Baptist church in Lincoln Estates was the setting for the wedding ceremony of Jacquelyn Carol McCoy, daughter of Mr. and Mrs. Ralph C. McCoy, 927 South Pine st., New Lenox, and David Evert Arnold son of Mr. and Mrs. Joseph Arnold of Mokena.

The Rev. S. E. Waldemer officiated at the 7 o'clock, single ring ceremony held Oct. 19. The church was decorated with bouquets of fall flowers. The soloist was Mrs. Bonnie Bobble, who sang "Oh Promise Me" accompanied by Mrs. S. E. Waldemer at the organ.

The bride, who was given in marriage by her father, wore a white satin brocade gown with oval neckline and long tapering sleeves. Lace panels falling from the bodice ended in a chapel length train. Her finger tip veil of Chantilly lace was attached to a crown of seed pearls and iridescent sequins. She carried a cascade bouquet of white carnations centered with a red rosebud.

Miss Gailyn McCoy attended her sister as maid of honor. She wore a gown of pink net over satin with a tight-fitted bodice and a bouffant skirt with many ruffles. Her headpiece was a matching circlet and she wore mitts, and carried a bouquet of pink and white carnations. Richard Arnold was best man for his brother.

A reception was held in the church parlors following the ceremony. Those who assisted at the reception were: Mrs. Sam Carr, Mrs. Algot Peterson, Mrs. Donald Ball, Mrs. Robert Rucker, and Mrs. Ferne Griggs.

A three tiered wedding cake centered the bride's table.

For her daughter's wedding Mrs. McCoy wore a black two-piece dress trimmed with velvet and matching accessories. The bridegroom's mother wore a brown two-piece dress with matching accessories. Both wore corsages of white carnations.

The newlyweds have returned from a wedding trip to Southern Illinois and Indiana, and are now residing with his parents, at 114th ave. and 197th st., in Mokena.

Joyce Cummons, Glenn L. Miers To Marry Nov. 30

Mr. and Mrs. Merrill H. Cummons of 217 Third street, Mokena, are announcing the engagement and approaching marriage of their daughter, Joyce, to Glenn L. Miers, son of Mr. and Mrs. Ernest L. Miers of Harford, Pa.

The wedding will take place Saturday evening, Nov. 30 at 7:30 o'clock in St. John's United Church of Christ, Mokena. The reception will be held in the church parlors immediately following the ceremony. All relatives and friends are invited to attend the wedding and the reception.

The bride-to-be is employed at the Mokena State bank. Mr. Miers is on the teaching staff of the Mokena public school, where he is head of the music department.

Palos-Orland YMCA Holds Art Classes

The Palos-Orland YMCA invites old and young, beginners or pros, to art classes being held from 7:30 to 9:30 p.m. Mondays in the Palos Park village hall. Group instructors are Mr. and Mrs. Park Miller, of Oak Lawn.

The course includes sketching, charcoal, pencil, pen and ink, water color and oil painting. Live models are used to study anatomy as well as to serve as subjects for paintings. This is a mixed group of varying degrees of developed talent. A planned schedule is not kept, and different mediums are studied as interest presents itself.

For further information call the Oak Lawn YMCA office at GA 4-8100.

Royal Neighbors at Tinley to Have China Demonstration

Dew Drop Camp, Tinley, Royal Neighbors of America met with their Oracle Lottie Rasmussen Tuesday evening in the American Legion hall to hear convention reports given by Neighbors Wright and Bendler. The delegates especially appreciated the fine memorial service which the Kankakee RNA group gave.

Voted into the group as a new member was Genevieve Boerge, with Barbara Barr being transferred from juvenile to adult camp.

Nov. 26 has been set for a special event, a china demonstration. Members are invited to bring guests for that evening. Refreshments will be served.

Tues., Nov. 19—Card and bunco party, VFW club rooms, 8 p.m. by Bremen VFW Auxiliary.

Tinley Gardeners To Exhibit At Flossmoor Show

The Tinley Park Garden club will have exhibits in the Flossmoor flower show being held Nov. 23.

On Nov. 14, a Christmas work day will be held at 10 a.m. in the home of president, Mrs. Robert Memhard.

Members learned at the meeting last Thursday in the home of Mrs. Edmund Moss, that the chrysanthemum show will be held Nov. 10 to Dec. 1, in the Garfield park conservatory. They were urged to submit scrapbooks at the Nov. 21 meeting.

Mrs. John Swisher reported 636 magazines, a bag of silk hose, one package of Christmas cards, a box of dress samples, donated by Mrs. Moss, were delivered to Oak Forest Home.

Garden club members received an invitation to attend a Christmas decoration lecture at 8 p.m., Nov. 14, from American Legion unit 615.

The Garden club recently purchased five elm trees which will be planted in Memorial park.

Mrs. Ava Funk, who was in charge of the program, showed slides of Colorado, Utah, and California, taken when she visited in California recently to attend the wedding of her daughter.

She also showed a movie taken by her nephew, Philip Manker, while stationed in the Philippines. It described the religious ceremony performed by islanders during Holy week.

Halloween decorations added a festive touch to the season's fare served by the hostess. A bouquet of white and yellow mums added to the attractive setting.

The surface of the moon is cold, bleak and airless, just as it is in a test chamber at the Naval Ordnance Laboratory, Silver Spring, Md., where scientists can duplicate the effects of climatic and atmospheric conditions on weapons.

PLAN BAZAAR AT ST. MARY'S parish of Mokena and such an affair really keeps a committee busy, as these women will testify. One can see from the samples gathered here that a lot of lovely as well as useful articles will be available to visitors at the annual Christmas bazaar to be held at St. Mary Social Center, Wolf rd. and 195th st., Nov. 8 and 9. The bazaar chairman, Mrs. Arthur Marshall, is seated at the left while across from her is Mrs. Robert Olson, chairman of arrangements for the roast beef dinner to be served on Sunday, Nov. 10. Standing (l to r) are, Mrs. Warren Manker, publicity; Mrs. Alvin Sorensen and Mrs. Lawrence Weathers, toys. (Robert Porter photo)

LEGAL NOTICE

An ordinance providing for borrowing money and issuing bonds of the Village of Mokena, Will County, Illinois, to the amount of \$100,000 for the purpose of paying a part of the cost of constructing a complete sanitary sewer system including sewage treatment plant in and for said Village and providing for the levy and collection of a direct annual tax for the payment of the principal and interest of said bonds.

WHEREAS the President and Board of Trustees of the Village of Mokena, Will County, Illinois, did by an ordinance adopted on November 8, 1956, call a special election to be held in and for said Village of Mokena on December 8, 1956, for the purpose of submitting to the electors of said Village the following question:

Shall bonds in the amount of \$100,000 be issued by the Village of Mokena, Will County, Illinois, for the purpose of paying a part of the cost of constructing a complete sanitary sewer system, including a sewage treatment plant, in and for said Village, maturing serially \$5,000 on December 1 of each of the years 1958 to 1971, inclusive, and \$6,000 on December 1 of each of the years 1972 to 1976, inclusive, and bearing interest at the rate of not to exceed four and three-quarters per cent (4 3/4%) per annum?

WHEREAS the President and Board of Trustees of said Village did cause to be given proper notice of said election by publishing notice thereof once in the News-Bulletin, the same being a newspaper published in and having a general circulation in said Village, and by posting notices thereof in three (3) prominent places in said Village and at the polling place, said publication and posting of said notices being made not more than thirty (30) days nor less than fifteen (15) days prior to the date of said election, which said notices as so published and posted did specify the place where such election was to be held, the time of opening and closing the polls and the question to be voted upon; and

WHEREAS the President and Board of Trustees of said Village by proper proceedings adopted and spread upon its records, found that all legal requirements in connection with said election were complied with and that a majority of the electors of said Village voting at said election on said question above referred to, voted in favor thereof;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Mokena, Will County, Illinois, as follows:

Section 1. That it be and it is found and determined that the President and Board of Trustees of the Village of Mokena, Will County, Illinois, have been authorized by a majority of the electors of said Village voting on the question at a special election duly called, noticed, held and canvassed for that purpose to issue bonds of said Village in the amount of \$100,000, for the purpose of paying a part of the cost of constructing a complete sanitary sewer system, including a sewage treatment plant, in and for said Village.

Section 2. That in order to raise the sum of \$100,000 needed for the purpose of paying a part of the cost of constructing a complete sanitary sewer system, including a sewage treatment plant, in and for said Village, there be borrowed by, for and on behalf of the Village of Mokena, Will County, Illinois, the sum of \$100,000 and to evidence said loan negotiable coupon bonds of said Village be issued. Said bonds shall be designated "Sanitary Sewer Bonds," be dated February 1, 1957, be one hundred (100) in number, numbered from 1 to 100, inclusive, be of the denomination of \$1,000 each, and mature serially \$5,000 on December 1 of each of the years 1958 to 1971, inclusive, and \$6,000 on December 1 of each of the years 1972 to 1976, inclusive. That said bonds shall bear

interest from date until paid at the rate of four and three-quarters per cent (4 3/4%) per annum, payable on December 1, 1958 and semi-annually thereafter on the first days of June and December in each year, which said interest payments to date of maturity of principal shall be evidenced by proper interest coupons attached to each bond and maturing on the dates herein provided, and both principal and interest shall be payable in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois. The seal of said Village shall be affixed to each of said bonds and said bonds shall be signed by the President and be attested by the Clerk of said Village, and said coupons shall be signed and attested by said officials, respectively, by their respective facsimile signatures, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Section 3. That the bonds hereby authorized shall be payable to bearer, provided, however, that such bonds may be subject to registration as to principal in the name of the holder on the books of the Treasurer of said Village, such registration to be evidenced by notation of said Treasurer upon the back of such bonds so registered. No bond so registered shall be subject to transfer except upon such books and similarly noted on the back thereof unless the last registration shall have been to bearer. Such registration of any of said bonds shall not, however, affect the negotiability of the coupons attached to said bonds, but such coupons shall continue transferable by delivery merely.

Section 4. That each of said bonds and the interest coupons to be thereto attached shall be in substantially the following form:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF WILL
VILLAGE OF MOKENA
SANITARY SEWER BOND

Number _____ \$1,000.00

KNOW ALL MEN BY THESE PRESENTS that the Village of Mokena, in Will County, Illinois, hereby acknowledges itself to owe, and for value received promises to pay to bearer, or if this bond be registered, then to the registered holder hereof, the sum of ONE THOUSAND DOLLARS (\$1,000.00) on the first day of December, 19____, together with interest on said sum from the date hereof until paid at the rate of four and three-quarters per cent (4 3/4%) per annum, payable on December 1, 1958 and semiannually thereafter on the first days of June and December in each year, upon presentation and surrender of the respective interest coupons hereto attached as they severally become due and payable.

Both principal and interest are hereby made payable in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois.

For the prompt payment of this bond, both principal and interest, as aforesaid, at maturity, and the levy of taxes sufficient for that purpose, the full faith, credit and resources of said Village are hereby irrevocably pledged.

This bond is issued by said Village for the purpose of paying a part of the cost of constructing a complete sanitary sewer system including a sewage treatment plant, in and for said village, pursuant to and in all respects in compliance with the provisions of the "Revised Cities and Villages Act," effective January 1, 1942, and all acts amendatory thereof and supplementary thereto and is authorized by a majority of the electors of said Village voting upon the question at an election duly called, noticed, held and canvassed for that purpose in said Village, and in compliance with an ordinance duly passed by the President and Board of Trustees of said Village, approved by the President thereof, and published, in all respects as by law required.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and Laws of the State of Illinois, to exist or to be done precedent to and in the issuance of this bond, have existed

and have been properly done, happened and been performed in regular and due form and time as required by law; that the indebtedness of said Village of Mokena, represented by this bond and the issue of which it forms a part, and including all other indebtedness of said Village, howsoever evidenced and incurred, does not exceed any constitutional or statutory limitation, and that provision has been made for the collection of a direct annual tax, in addition to all other taxes, on all of the taxable property in said Village sufficient to pay the interest hereon as the same falls due and also to pay and discharge the principal hereof at maturity.

This bond is subject to registration as to principal in the name of the holder on the books of the Village Treasurer, such registration to be evidenced by notation of such Treasurer on the back hereof, and after such registration no transfer hereof, except upon such books and similarly noted hereon, shall be valid unless the last registration shall have been to bearer. Registration hereof shall not affect the negotiability of the coupons hereto attached which shall continue negotiable by delivery merely notwithstanding registration hereof.

IN WITNESS WHEREOF, said Village of Mokena, Will County, Illinois, by its President and Board of Trustees, has caused its corporate seal to be hereunto affixed and this bond to be signed by the President of said Village and attested by its Village Clerk and the coupons hereto attached to be signed and attested by said officials, respectively, by their facsimile signatures, and said officials do, by the execution hereof, adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, all as of the first day of February, 1957.

President, Board of Trustees

Section 5. That for the purpose of providing the funds required to pay the interest on said bonds promptly when and as the same falls due and to pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within said Village, in each year while any of said bonds are outstanding, a direct annual tax sufficient for that purpose, and that there be and there is hereby levied on all of the taxable property in said Village, in addition to all other taxes, the following direct annual tax, to-wit:

For the year 1957, a tax sufficient to produce the sum of \$15,964.25 for interest and principal maturing up to and including June 1, 1959;

For the year 1958, a tax sufficient to produce the sum of \$9,393.75 for interest and principal;

For the year 1959, a tax sufficient to produce the sum of \$9,156.25 for interest and principal;

For the year 1960, a tax sufficient to produce the sum of \$8,918.75 for interest and principal;

For the year 1961, a tax sufficient to produce the sum of \$8,681.25 for interest and principal;

For the year 1962, a tax sufficient to produce the sum of \$8,443.75 for interest and principal;

For the year 1963, a tax sufficient to produce the sum of \$8,206.25 for interest and principal;

For the year 1964, a tax sufficient to produce the sum of \$7,968.75 for interest and principal;

For the year 1965, a tax sufficient to produce the sum of \$7,731.25 for interest and principal;

For the year 1966, a tax sufficient to produce the sum of \$7,493.75 for interest and principal;

For the year 1967, a tax sufficient to produce the sum of \$7,256.25 for interest and principal;

For the year 1968, a tax sufficient to produce the sum of \$7,018.75 for interest and principal;

For the year 1969, a tax sufficient to produce the sum of \$6,781.25 for interest and principal;

For the year 1970, a tax sufficient to produce the sum of \$6,543.75 for interest and principal;

For the year 1971, a tax sufficient to produce the sum of \$7,282.50 for interest and principal;

For the year 1972, a tax sufficient to produce the sum of \$6,997.50 for interest and principal;

For the year 1973, a tax sufficient to produce the sum of \$6,712.50 for interest and principal;

For the year 1974, a tax sufficient to produce the sum of \$6,427.50 for interest and principal; and

For the year 1975, a tax sufficient to produce the sum of \$6,142.50 for interest and principal.

That interest or principal coming due at any time when there are insufficient funds on hand to pay the same be paid promptly when due from current funds on hand in advancement of the collection of taxes, and when said taxes shall have been collected, reimbursement shall be made to the said funds in the amounts thus advanced.

Section 6. That forthwith as soon as this ordinance becomes effective, a copy hereof certified by the Clerk of said Village, which certificate shall recite that this ordinance has been passed by the President and Board of Trustees of said Village and published shall be filed with the County Clerk of Will County, Illinois, who shall in and for each of the years 1957 to 1975, both years included, ascertain the rate per cent required to produce the aggregate tax hereinbefore provided to be levied in each of said years respectively, and extend the same for collection on the tax books in connection with other taxes levied in each of said years, respectively, in and by said Village for general corporate purposes of said Village, and in each of said years such annual tax shall be levied and collected by said Village in like manner as taxes for general corporate purposes for each of said years are levied and collected and when collected, such taxes shall be used solely for the purpose of paying principal and interest upon the bonds herein authorized when same mature.

Section 7. That the funds derived from such levy be and the same are hereby appropriated and set aside for the sole and only purpose of paying principal of and interest on said bonds when and as same become due. That the funds derived from the sale of said bonds be and they are hereby appropriated and set aside for the purpose hereinbefore set out.

Section 8. That forthwith after this ordinance has become effective as provided by law, the bonds herein authorized shall be executed and delivered to the treasurer of said Village

and to be by him delivered to Scott & Kegley, Inc., of the City of Chicago, Illinois, the purchaser thereof upon receipt of the purchase price therefor, same to be not less than the par value of said bonds plus accrued interest to date of delivery, contract for the sale of said bonds to said purchaser, theretofore entered into, be and the same is hereby in all respects ratified, approved and confirmed.

Section 9. That all ordinances, resolutions and orders, or parts thereof, in conflict herewith, be and the same are hereby repealed and this ordinance shall be in full force and effect upon its passage and publication, as provided by law.

Approved: JAMES G. MARTI,
President, Board of Trustees
Adopted Oct. 29, 1957.

ALVIN SORENSEN, Village Clerk

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Brotherhood and BYF will tour the Palos Park Community center this Sunday afternoon, Nov. 3. The group will meet at the Marley church at 3:15 o'clock. The tour at the Center begins at 4:30 o'clock. This will be the first fall meeting of the Brotherhood. This tour will take the place of the regular meeting of the BYF.

Members of the Do Unto Others club and their chaperones, the Rev. and Mrs. Ray Hamer, Miss Doris Handorf, Miss Ethel Handorf, and Mrs. Robert Sproat saw the "Ten Commandment" in Joliet Sunday afternoon.

The Marley's Woman's club was represented at the Will County Club League board meeting at Joliet Tuesday afternoon by Mrs. John Hubler, Mrs. Adella Sproat and Mrs. Charles Elliott.

Mr. and Mrs. E. D. Gillette were dinner guests Sunday of Mr. and Mrs. Edward Sproat.

Larry Sass celebrated his tenth birthday with a party in his home Friday evening. Guests were his school and Sunday school class mates. Games and refreshments were enjoyed. Larry received many nice gifts.

Carol Schifler, who is attending Northern State Teacher's college at DeKalb, spent the week-end in the home of her parents, Mr. and Mrs. Glenn Schifler.

Mr. and Mrs. Charles Elliott were entertained at dinner Saturday evening in the home of Mr. and Mrs. J. F. Patrick in Lincolnwood.

Mr. and Mrs. C. H. James and daughters of Oak Lawn were guests Saturday night of Mr. and Mrs. Clayton Cleveland.

Mr. and Mrs. Charles Elliott entertained at a family gathering in their home Oct. 20 in honor of the second birthday of their granddaughter Alyce Ingram. Guests were Mr. and Mrs. Charles Elliott and son Tommy of New Lenox and Mr. and Mrs. Charles Ingram and family.

Mr. and Mrs. Clayton Cleveland were dinner guests on Sunday in the home of Mr. and Mrs. Robert Eaton at Elwood.

Hollstein School Community Club to Have Fish Fry Nov. 8

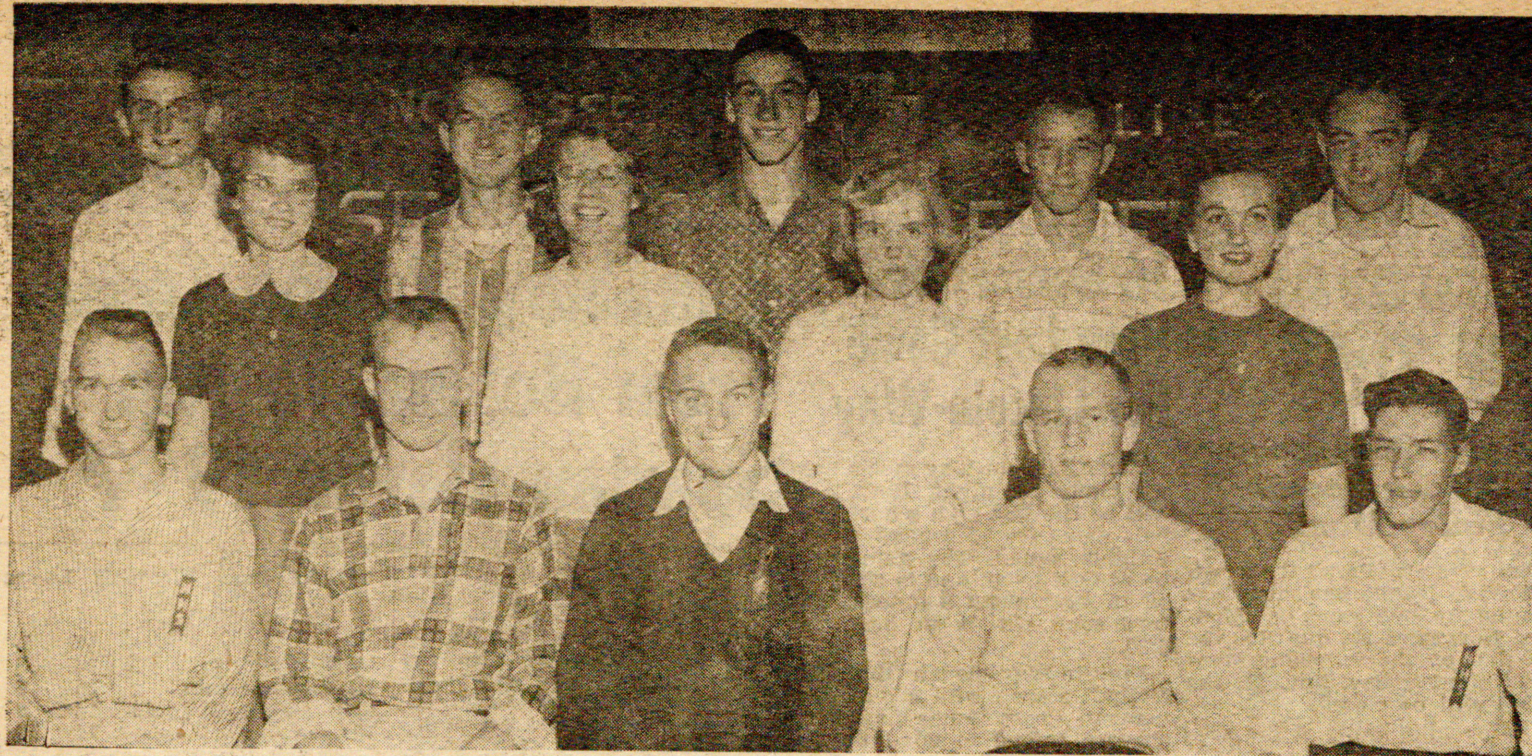

The Hollstein school, 175th and 94th ave., reopened its doors this September to 20 school children with Mrs. Orville Feldpouch as teacher.

A Community club came into being late in September and tomorrow evening, Nov. 1 at 7:30 p.m. the club plans an evening of fun for the students and their parents. The affair will be held in the school, and according to the president, Mrs. Arthur Frundle, the group is enthusiastically looking forward to a meeting each month for the entire family.

The first endeavor of the budget and finance department is a fish fry, scheduled for Nov. 8 at the school, with Mrs. Milton Bettenhausen in charge of arrangements.

An egg marketing specialist at the University of Illinois college of agriculture does not expect that the use of eggs to produce Asian flu vaccine will have an important effect on egg prices this fall and winter.

It's 90% of the politicians who give the other 10% a bad name! Changing Times.

NATIONAL HONOR SOCIETY at Lincoln-Way high school has five new members who were publicly acclaimed at a recent assembly. The new members are seated in the first row and (1 to r) are: Ted Dunham, David Zechlin, Leonard Senglin, Ronald Fredin and David McGuire. Other members shown here are: (second row,

1 to r) Barbara Niemann, Carol Werner, Kathy Cooper, Helen Sheridan and (third row, beginning at the left) Wendell Anderson, Tom Dunham, Kenneth Weber, James Stauffenberg and Stanley Korista. (Lincoln-Way photo)

Present Messiah In West Suburban Area Dec. 1 and 4

The Young And The Old Combine To Keep Public Aid Costs High

One of the most outstanding events of the Christmas season will be probably what is the most complete "Messiah" to be performed in the west suburban area.

Concert plans include performances of the "Messiah" in Batavia's First Methodist church and the Baker Memorial Methodist church, St. Charles Sunday, Dec. 1, and in Hinsdale Community House on Dec. 4.

Rehearsals for the Messiah chorus are being held at 7:30 p.m. on Mondays in the First Methodist church, Batavia, while the Chicago Suburban Chamber Orchestra rehearsals are held at 7:30 p.m. on Wednesdays in Hinsdale Community house.

All singers and instrumentalists are urged to attend one of these rehearsals.

Rules of the choral society permit joining until the Nov. 4 rehearsal; new singers may not join after this date.

Further information concerning the performance may be obtained from co-chairman Maynard Dixon, or Harold Cobb in Batavia, or the Hinsdale Community house.

Selenium

Because it conducts electricity much more readily in the light than in the dark, the element selenium is valuable for photo-electric applications.

CULLIGANS
TINLEY PARK
KE 2-4313 ILL.

(CNS)—Five reasons for the "paradoxical" lack of shrinkage in public assistance "during a time of unparalleled prosperity and economic well-being" were given by this month's bulletin of the Federal Reserve Bank of Chicago. Last year the 2.7 billion dollar cost was .68 per cent of 415 billion national product, compared to 1.5 billion in 1947, which was only .64 per cent of a 232 billion gross national product.

The reasons cited by the bank's analysts were:

1. Population growth has been most among the young and aged which are the main beneficiaries.

2. Inflation has hit relief budgets, like all others.

3. The "depth and coverage" of assistance has grown, and the "gap between standards and performance narrowed."

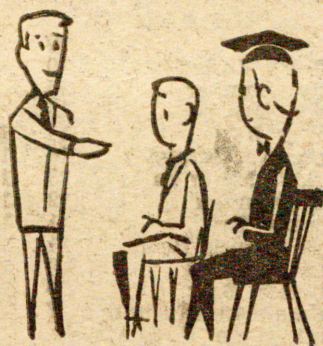

4. The numbers receiving aid to the disabled, begun in 1950, have grown from "reclassification of cases from state locally financed to the new federally-assisted category."

5. Aid to dependent children, greater now than ever, is "symptomatic of the social dislocation that is another of the costs of over-all economic advance." Jobs lure farm workers to the city and "congested housing aggravates the problem."

Summing it up, the bulletin hopes that liberalized survivor benefits under old age insurance, and increase in state unemployment benefits, may help, if no depression comes, but that "... the aid programs can scarcely be expected to wither away completely; their shrinkage will be more apparent in case-load than in cost, at least in the near-term future."

"Security has got to be every one's No. 1 ambition these days. It used to be the chance to make a million. Now we'll settle much more cheaply." LaHarpe Quill.

EDDIE the EDUCATOR says

More 16 and 17 year old non-high school graduates are unemployed than any other group. High school graduation will help them from being liabilities.

Rich Wins Grid Crown For 2nd Time

Rockets Down Braves 13-7 To Clinch Title

The Rich Rockets of Park Forest won the undisputed football championship of the Southwest Suburban conference last Saturday—for the second time—when it defeated Bremen 13 to 7. The game was played at Park Forest.

The victory was Rich's fifth for the season in the league and there have been no defeats. There is another conference game to play this weekend but regardless of the outcome the Rockets are the champs.

Bremen had hopes of spoiling the Rockets season and for a brief moment it looked as if the Braves might do it. They were 12 yards out from goal with approximately a minute and a half to go in the final period when the ball popped out of the hands of a Bremen carrier and was promptly gathered in by Dan Kramer of the Rockets.

Rich then proceeded to run out the clock to take the game and the championship.

The field was muddy and for three quarters the two teams skidded and slid back and forth with only occasional threats of scoring. At the beginning of the third period, however, Bremen went to work and hustled 55 yards to paydirt, with Ron Caffrey skirting right end for the tally. Dennis Tattum rushed for the extra point and there the Braves were—out in front 7 to 0.

This appeared to serve as burr under the saddle on the Rockets—if one be permitted to scramble a figure of speech—and set them off on a 62 yard jaunt that ended when Gary Elliott stepped over the end strip from the one. Kramer failed for the extra point and the quarter ended with Bremen leading 7 to 6. The score remained that way until only three minutes were left. Then Elliott flipped a 45-yard pass to Jay Bragg from the Rockets' 34 and Bragg kept on going to make it 12 to 7. Kramer added the extra point to make the count 13 to 7.

The Braves tried hard in the little time remaining to pull the game out of the fire and almost succeeded. Gary DuBois fired a pass to Caffrey that was good for 29 yards and put the ball on the Rockets' 41. A penalty and tries by Caffrey and Tattum advanced the ball to the 12. A pass to Caffrey was completed but the ball slipped out of his hands and Kramer recovered for Rich, as was explained at the beginning.

Church Cage Loop Will Open Season At Tinley Monday

The Tinley Park Church Basketball league has moved its opening up one week to Monday, November 4, due to the fact that on the following Monday, Veteran's day, Nov. 11, the school will be closed.

The opening game of the season will begin at 7:15 p.m., and will match St. George Catholic church against the Nazarene church. The second game will begin at 8:30 p.m. and will be between the Methodist and the Teen club.

The team rosters and entry fees will be due at the opening game. Each team will play 15 games. An All-Star game will be played in December and a banquet will close the season in March.

2 Orland Youths To Match Wits On Gridiron

Two Orland Park youths will match wits and brawn as quarterbacks on college teams when Indiana State college and Valparaiso University meet in conference play Nov. 2.

Ken Young, of 108th ave., an outstanding sophomore prospect on the Valparaiso team, quarterbacked an unbeaten frosh team last year. An alumnus of Luther High school, Chicago, Young is 6-3 and weighs 200 pounds. He was an eleven letter sports latter man in high school.

Facing him will be Tad Morlock, No. 1 quarterback at Indiana State, Morlock also a sophomore, is a 1954 graduate of Orland Park high school. He won three football, four basketball and four baseball letters while playing on the local high school teams. He was also a quarterback on the Orland Park eleven.

16 Seniors Will Play Last Game For Lincoln-Way

When Lincoln-Way meets Reavis tomorrow night, Nov. 1, it will be the last high school football game for 16 seniors on the Knights squad. The game will be at Oak Lawn and is scheduled to start about 8 o'clock. The frosh-soph tilt is to begin at 6:30.

Lincoln-Way began the 1957 football season with a win over Lemont. Coach Jonas Lashmet's charges intend to wind up the year with a triumph over Reavis.

The win over Lemont has been the team's only victory but the Knights have been trying hard and with a little luck some of the results might have been different.

Last week-end the squad was beaten by Morris, in a non-conference game, 27 to 12. The L-W frosh-sophs trounced Morris, however, 30 to 0.

Seniors who will don the red and black of Lincoln-Way for the last time as football players are: Lee Gear, Terry Barnes, Ken Weber, Ronald Fredin, John Marcoux and Jim Stauffenberg.

Also Dave Eriksen, Ed Fehrenbacher, Del Wade, Les Van Orstrand, Rich Yunker, Bill Dusek, Don Carter, Stan Korista, Wendell Anderson and Jim Carnahan.

Sandburg Eagles Come From Behind To Nip Spartan Eleven 19-7

The Carl Sandburg Eagles playing before a shivering homecoming crowd came from behind to down the Oak Lawn Spartans by a score of 19-7. The Spartans, pre-season title favorites, looked the part when Jack Rodgers climaxed a 60 yard march with a two-foot plunge for the touchdown. Neill McGee kicked the extra point. Their defense also proved to be tough when they kept the Eagles from scoring with a first down on the four yard line late in the second quarter.

After the intermission Phil Yurtis gave the home crowd a preview of what was to come when he ran 38 yards on a reverse to set up the first Eagle score. Jim Vos bulled over from the one-yard line, Jerry McBride's attempt for the extra point was blocked. Following the kick-off Vos recovered an Oak Lawn fumble on the 24 yard line. Jay Morlock took the pass from center and fired a strike to Yurtis for the score and a 12-7 lead. McBride's kick was low.

In the fourth quarter Eric Johanson, aided by excellent blocking from his teammates, returned an Oak Lawn punt 30 yards to set up the final T.D. Morlock broke thru the middle and ran 12 yards for the score. Yurtis scored the extra point on a reverse to make the final score Sandburg 19, Oak Lawn 7. The Eagles' performance in the final half sent the crowd home warm and happy despite the snow and chilly winds. Because of the condition of the field the sophomore game was postponed until Oct. 28. The Eagles close their season tomorrow, Nov. 1 when they travel to Evergreen Park. With a victory, Sandburg could move into 2nd place in the conference rently in second place with a standing. Evergreen Park is curmark of 3 victories, 1 loss, and 1 tie.

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Mr. and Mrs. James Dixon have purchased the home and property on the corner of route 30 and 79th ave., which was formerly owned by Mrs. Hazel Boze. Mr. Dixon has started a welding shop at his home.

Mr. and Mrs. Eldon Harman of River road are the parents of a son born Oct. 7. He has been named Thomas Eldon. He was welcomed home by big sister, Laurie Jean. The Harman's are moving to Rockford in the near future where he is employed.

Mr. and Mrs. Len Cummings visited the former's parents in Chicago Heights Sunday.

Mr. and Mrs. Walter Niedringhaus and family have returned from a short vacation. They went to Corsicana, Texas to visit her parents, Mr. and Mrs. Rutherford and other relatives. Mr. Rutherford is 82 years old and has suffered several heart attacks. At the time of their visit he was feeling quite well.

Mr. and Mrs. Floyd Martin are the proud parents of a son born Oct. 16. He has been named David Floyd. His four sisters and a brother welcomed him and his mother home. His grandmother, Mrs. Fisher, of Delavan, Ill., is visiting in the Martin home and helping to care for the new baby.

CALL MOKENA 2121

The evening circle of the WSCS of the Methodist church will sponsor a Fashion Bouquet, held in the social rooms of the church Friday evening Nov. 1 starting at 8 o'clock. All women and young people are cordially invited as the party will feature clothing that the modern women and youth are wearing. Refreshments will follow the demonstrations.

Mr. Berle Needham who has for many years been auditor of disbursements for the Rock Island railroad has been appointed to assistant general auditor for the same company. He has been transferred from the Hamilton Park station to the LaSalle St. station offices.

Mrs. Florimond Baudry is visiting with old friends, Mr. and Mrs. Louis Bellutti in Paducak, Ky.

The Rev. William J. Krutza, pastor of the Park View Baptist church is recovering from a siege of the flu.

The Intermediate MYF, under the direction of Mr. and Mrs. William Bradley, Jr., enjoyed a Halloween party in the social rooms of the Methodist church Sunday evening.

The Flu bug has caught up with many people in this vicinity, but finally everyone recovers.

Mrs. Lydia Ryan enjoyed the first demonstration of the Florence Italy's symphony orchestra, given in Orchestra hall Sunday. This was a good will tour sponsored by the government of Italy and consisted of 100 top musicians. The director was Francesco Mander.

The regular family night sponsored by the Frankfort-Mokena Home bureau took the form of a Halloween party last Saturday evening when the group gathered in the home of Mr. and Mrs. John Hubler. All guests came in costume, the men dressed as women and the women, as men. The uncertainty of who was who prevailed until masks were removed when all joined in a happy mingling. Pinocle followed and prizes for the games were won by Mr. and Mrs. Emil Groth. Mrs. Ray Westlund and Fred Piepenbrink. Refreshments were served in keeping with the season.

The Women's auxiliary of the Pilot's Wives had a luncheon at the Cypress in LaGrange. Mrs. John Chishom, whose husband is a pilot with the United Airlines, attended and her guest was Mrs. Arthur Buske.

Mr. and Mrs. Roy Ebert, Parker road are parents of a daughter

born Friday, Oct. 25 in Silver Cross hospital. She weighed seven pounds, eight ounces and has been named Cathy Louise. She and her mother were welcomed home Tuesday by two sisters and a brother.

Mr. and Mrs. Berle Needham have received word of the birth of a granddaughter, born Oct. 13 to Capt. and Mrs. Richard Needham in Germany where Capt. Needham is stationed with the U. S. army. The baby has been named Katherine Ann and has two brothers David and Joseph who welcomed her to their home.

Mrs. Floyd Williams underwent emergency surgery Sunday night in Silver Cross hospital. She is in room 333 and is doing nicely.

The infant daughter of Mr. and Mrs. Donald Hinspeter of Mokena was baptised Sunday in the St. John United Church of Christ by the Rev. William Riemann. The name given was Cynthia Lou. Sponsors were Mr. and Mrs. George Sangmeister, Jr., of Mokena. A dinner was served to the immediate family and sponsors in the home of Mrs. Sangmeister's sister, Mr. and Mrs. Vern Aldworth in Lockport. Also attending the dinner were the grandparents of Frankfort, Mr. and Mrs. Eugene Hinspeter.

Methodist Church To Hail Retired Pastors Sunday

Completed plans for recruitment and retired ministers Sunday, November 3, in the Frankfort Methodist church, were announced today by the Rev. Ben F. Day, pastor.

The Rev. Samuel Weishaar, who served the Frankfort Church 1927-1932 and now lives in Frankfort since his retirement, will preach the sermon "The Minister, His Life and Work."

Three youth of the church will also participate in the 9:30 a.m. service. Charles Otto will read the scripture lesson. Glen Patterson will lead the responsive scripture. The congregation will be led in the affirmation of faith by Bruce Lewin.

The service is designed to challenge young people to full-time Christian service and to recognize the faithful service of retired ministers and their families, Rev. Day said.

The public is invited to attend this special service of worship and recognition.

Will Discuss Fire Protection Needs at Frankfort Tuesday

Residents of Frankfort are to meet Tuesday night at 8 o'clock in the village hall to discuss fire protection needs of the area and what steps should be taken to meet the increasing costs such protection entails.

At a recent referendum a proposal to form a fire protection district embracing Frankfort and Green Garden townships was defeated. The proposal carried in Frankfort township but the margin there was insufficient

to overcome the vote against it in Green Garden township, it was said.

What the policy may be relative to furnishing fire protection and its financing is expected to be established as a result of Tuesday night's meeting.

Community Chest Returns at Mokena Top Country Towns

Returns in the Joliet-Will county community chest campaign from Mokena were among the highest in the county among the country towns and the Mokena chairman, Mrs. Grace Alexander, received an "Oscar" as a result.

Returns from Mokena totaled \$564.91 which were about \$100 greater than those turned in last year, it was said.

Mrs. Alexander expressed her appreciation for the excellent assistance given her by the 28 workers who carried out the canvass in Mokena. Persons who have not contributed but still wish to do so may send their donations into the Community Chest, Elks Building, Joliet, or communicate with Mrs. Alexander.

"It must be wonderful to be young enough to know everything," Greenville Advocate.

Police Chief Tells Colleagues to Inform Public of Crime

Washington's police chief, Robert V. Murray, told his colleagues attending the International convention of police held in Honolulu recently, that police chiefs should let the public know all of the crime news. It was their duty, he said, to keep

LOSE UGLY FAT In Ten Days Or Money Back

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

Pictures In The News -- With The Accent On Halloween

BETTER TRAIN FOR TINLEY—is assured by the Rock Island since it has shifted the Jet Rocket from the Peoria run to suburban service between Joliet and Chicago. The train will operate as the "Bankers' Special," on two trips each day between Joliet and Chicago. The only stop for the "Bankers" between Joliet and Chicago is Englewood. But the train will have to do more work than that and that is where Tinley comes in. The train will stop at Tinley at 12:40 pm. going west and again at 1:58 pm. re-

turning from Joliet to Chicago. When the train made its first stop at Tinley Monday a group from the Chamber of Commerce presented a floral horseshoe—for luck, to C. P. Bradley, assistant passenger traffic manager of the Rock Island. Left to right the men are, Walter Zawadzki, village trustee; Allen Verhage, representing Mayor Elmer Knudsen, Frank Schneider, Selby Hirsch, Mac Vanner, Mr. Bradley and Stanley Magiera, C. of C. president. (Robert Porter photo).

CINDERELLA MOTIF WINS in the annual window painting contest sponsored at Tinley Park by the Recreation Commission. The judges, Mrs. Voris Miller, Mrs. Walter Reed and Mrs. John Szaten gave first prize to this painting which appears on a window at the Tinley Park Hardware store. The young artists, from Tinley Park school (l to r) are: Trudy Bridge, Marilyn Bettenhausen and Sharon Anderson. Second and third place winners are shown below.

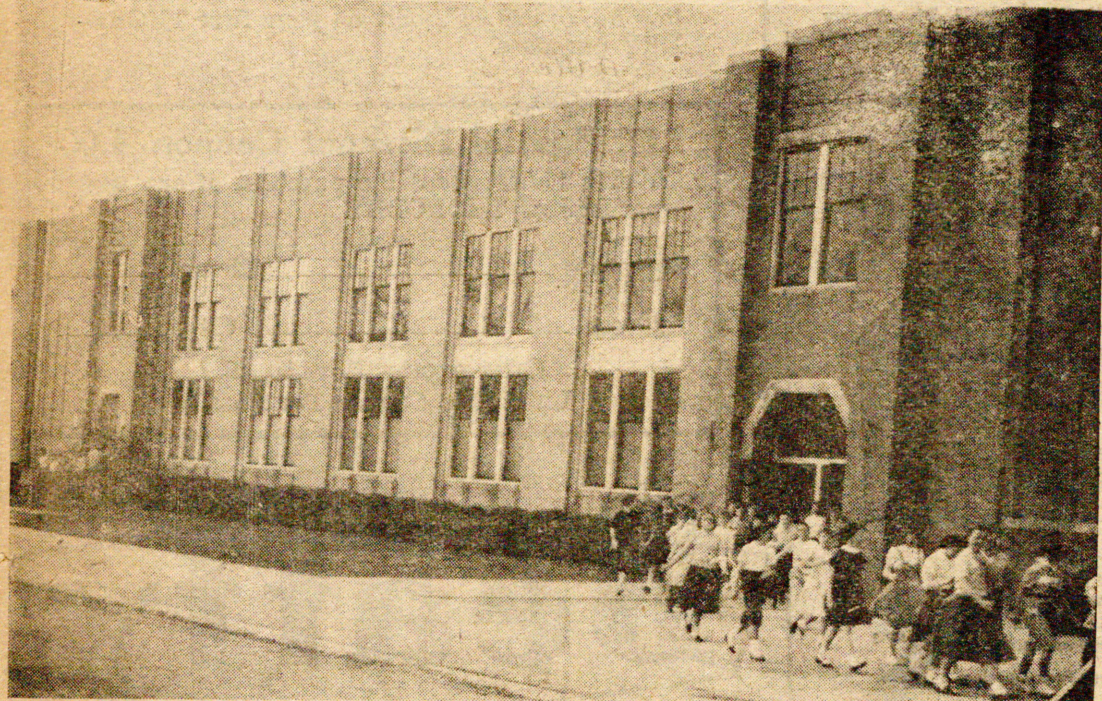

FIREMEN DISCUSS PROBLEMS—the Mokena Volunteer department members were hosts to the Community Volunteer Firemen's association at a recent meeting. There are some 30 departments in the association and the organization meets once a month in a different community. The meeting at Mokena was held in the VFW hall and following the business session refreshments were served. Seated (left to

right) are: John Walker, secretary; Jim Rogers, president; Mayor James Marti, of Mokena; Frank Mraz, treasurer; (standing) Edward E. Bochman; Larry Wood, vice president; Art Hostert, Mokena chief; Carrol Roberts, Mokena assistant chief and Edward C. Stahnke, financial secretary. Some 150 attended the Mokena meeting. (Robert Porter photo)

THE LEGEND OF SLEEPY HOLLOW—forms the background for this, the second prize winner, which appears on the window at the Culligan Softwater Service. Ichabod Crane, on the white horse, is still out in front but the Headless Horseman is coming up fast on the outside and the three painters shown here (l to r) are: Jerry Jandacka, Monfred Fround and Charles Matula. Don Hayward, who was also assisted in this painting, was absent when the picture was taken.

PRACTICE FIRE DRILL at Tinley Park School. When this scene was shot the pupils were just beginning to exit from the building. The exodus was fast but orderly. According to teachers timing the drill the building was emptied in just a second or two over the minute mark, which is considered good. Ordinarily the pupils

would have made better time but one of the doorways that could be used as an exit is closed now because of work on the new addition to the school. When the signal sounds for fire drill the pupils leave their seats, form ranks and march out without any confusion. (Robert Porter photo)

RIP VAN WINKLE'S story was the theme for the third prize painting, which, coupled with "The Legend of Sleepy Hollow", indicates that the youngsters have been putting in some time reading some of the works of Washington Irving. Rip's slumbers in the Catskills are shown here on the window at the English Brothers Ford Agency. Jug and dog are not visible. The young painters responsible for this entry (l to r) are: Mike Richardson, William Thompson and Robert Jensen. (All of the above three photos by Robert Porter.)

SCOUT NEWS

Cub Pack 253

The 2nd annual Halloween party for Cub pack 253 was held last Friday evening as the goblins, witches and various other creatures attended. A Jack-O-Lantern display was most interesting. Den Mothers, Virginia Craft and her helpers served apple cider and donuts.

Year pins were awarded to Laurence Dober, William Robinson, Alan Turned, Ronald Klos and Walter Wegrzyn.

Advancement awards were made to: Ronald Klos, Wolf badge; Charles Hansen, wolf and Gold arrow, and Frank Craft, Lion badge.

Receiving their Bobcat pins and welcomed into the pack by Chief Akela were Charles Gervase and Edward Hirsch.

Pack committee chairman, Harold Peterson reminds the citizens of Tinley Park that the forthcoming Pokagon Trails council Boy Scout campaign will need everyone's support.

Dallas Webster, 4th district director, Order of DeMolay was recently honored when he was presented with the Advisor's honor key from the International Supreme council of the Order of DeMolay, whose offices are in Kansas City, Mo. In the 4th district, Mr. Webster has five DeMolay chapters to counsel, two of which, LaSalle and Calumet City, were instituted during the last two years.

Karen Hattendorf was surprised last Friday evening when eight of her friends came to her home to celebrate her 13th birthday. Karen is the daughter of Dr. and Mrs. Hattendorf of 6912 - 173rd place.

Eight member of the Luther league of Zion Lutheran church attended the showing of The Ten Commandments last Saturday evening. Harry Schluter and George Phillippe provided transportation.

The Robert Bridge family enjoyed the Ice Follies production Saturday evening.

Plymouth Buyers Have Choice Of Six Engines

Substantial styling advances in keeping with the trend setting characteristics of the immensely popular current model Plymouth cars, plus a broad new lineup of six engine options and other important new engineering features will be seen when the Plymouth for 1958 is introduced tomorrow, November 1, at the Schudt Motor Sales, Oak Park ave., Tinley Park.

"The new Plymouth is improved in appearance, performance, comfort and safety, yet retains many of the outstanding styling, handling and riding features that were so enthusiastically accepted by American car buyers this year," according to John P. Mansfield, Plymouth president.

"While the 1957 model year has been one of the finest in our history, we intend to move even farther ahead with the introduction of finer, more advanced line of new Plymouth cars in November."

Silver Dart Styling

Styling features of the new Plymouth include a bright new "Silver Dart" side moulding treatment, sweeping upward at the rear on Belvedere and Sport Suburban models to the tip of the familiar high flung directional stabilizer fins, with optional dart inserts of silvery anodized aluminum or compatible colors. Another distinctive new side trim is available also with Savoy and Plaza models.

Area Officials Inject Negative Note In Locating U. of I. Branch

Recent meetings held by various committees in this area whose aims are to persuade the trustees of the University of Illinois to locate a branch of the university in south Cook County, culminated with a bus tour made by University officials recently to four of 17 sites proposed by the Regional Association of south Cook-Will County municipalities.

While much has been said and written about the advisability of locating the undergraduate branch in south Cook County, some local officials have injected a negative note by pointing out the great need for more taxable bodies here, especially in Bremen township, which is comparatively poor.

University officials are seeking a site of 300 would be available for residential and commercial purposes. This, local officials state, would take a vast amount of property from tax rolls.

Bremen township has two tax-free institutions already installed. The area also has a great amount of forest preserve land. Assessed valuation in Bremen township is low, with resultant high taxes. More industry is what many town officials are hoping for.

However, the favorable aspects of locating the university branch in the area does not evade them, but the negative thoughts injected have some merit.

Trustees Impressed

While university officials were impressed with the favorable points of size, availability, cost and transportation accessibility, the question in their minds seemed to be convenience to the greatest mass of students, according to members of the higher education committee who escorted the university officials on the bus tour.

A spokesman for the committee pointed out that "There is little doubt the west side of Chicago and suburbs are more thickly populated than the south suburbs at the present time and it is hard to convince the university committee of what we believe the population in this area will be ten years hence."

"While it is true that a school in the west suburbs may be nearer the present masses of people than if located south, it is also true that there are six colleges in that area and a dozen in nearby Chicago. There are no colleges in the south suburbs or on Chicago's south side with the exception of one girls' school of 600 students at 102nd and Pulaski rd."

To further plans for locating the University branch here, a meeting is scheduled for the near future of all area mayors.

Double header dual headlights are standard equipment on all new Plymouths, with the inner beams producing maximum long range forward visibility and the outer pair providing supplemental fill in light when used in combination, or efficient low-beam lighting when used alone.

New turn signals and parking lights are needed in a triangular area above and between the headlights. Tail lights also are new, and the backup light is centered beneath the rear bumper.

305 Horsepower

The lower front grille of the Plymouth for 1958 has been redesigned with a horizontal bar effect identical to the upper grille section.

New Plymouth colors for 1958 are generally softer and more elegant, with 15 solid color options and 44 two tone combina-

tions. Luxurious new textured fabrics are offered in all lines.

Plymouth's new engine lineup offers six power options, including the new 350 cubic inch Golden Commando V8 at extra cost with a 10 to 1 compression ratio and a horsepower rating of 305. New fuel injection is available with this engine as a limited option.

Standard V-8 Plymouth engine for 1958 is the 318-cubic-in. Fury V-800 with dual carburetion. Standard on all 6-cylinder models is the smooth and economical power flow '6'.

New Differential

New and available on all Plymouth cars is a sure-grip differential which transfers concentrated pulling power to the rear

SUSPEND DRIVERS LICENSE—

(Continued from page 1)
was found to be driving without a permit nor was he accompanied by a person with a driver's license. He did have a permit, Smetana said, but it showed that he had failed to pass his driver test. No warrant has been issued, it was stated.

Another 16-year-old driver, Richard Steele, of Rt. 2 Frankfort, was fined \$3 and costs for running a stop sign and Richard Baisan, 18, of Manhattan, charged with reckless driving and cowboy-ing, plus driving a car without a number, was fined \$5. He had no money and was released on the provision that he was to pay later.

Arlene Simmons 20, of Chicago, was fined \$3 for running a stop sign and a \$4 fine was imposed on Augustus E. Russell, 67, of New Lenox, for a similar offense.

Rock Island Puts Streamliner In Suburban Service

A modern streamliner, the Jet Rocket, has been placed in regular suburban service between Chicago and Joliet by the Rock Island railroad.

The train was recently withdrawn from service between Chicago and Peoria and will replace the banker's special. It will be used on other runs between rush hours.

Said to be the first ultra lightweight streamliner in America when it began its Peoria-Chicago run in 1956, it's eye-blinking pace is a far cry from the space eating tempo of the first Rock Island train to travel thru this area 105 years ago. Painted a bright yellow and pulled by a standard locomotive, the first train chugged its way from Chicago to Joliet and back again. The Rock Island marks its 105th anniversary this month.

The rocket is the most modern commutator train in the world, having a card room located in the center to accommodate 32 players. In addition there are facilities for cigarettes, candy bars, cold drinks and hot coffee. It is air conditioned thruout.

Another three unit car costing \$110,000 has been added to give the train a seating capacity of 500.

It will make two stops a day in Tinley Park: one at 12:04 p. m. to Joliet and at 1:54 p. m. to Chicago. At Mokena the stops will be at Mokena at 12:13 and 1:46 and at New Lenox at 12:20 and 1:40.

Harry Trevarthen, executive secretary of the Chamber of Commerce, lauds Rock Island's efforts in adding to comfort of commuters. The Chamber is co-operating with the Rock Island to improve service for the 500 Tinley commuters riding two early morning trains.

Mokena Small Fry to Hold Hallowe'en Parade Tonight

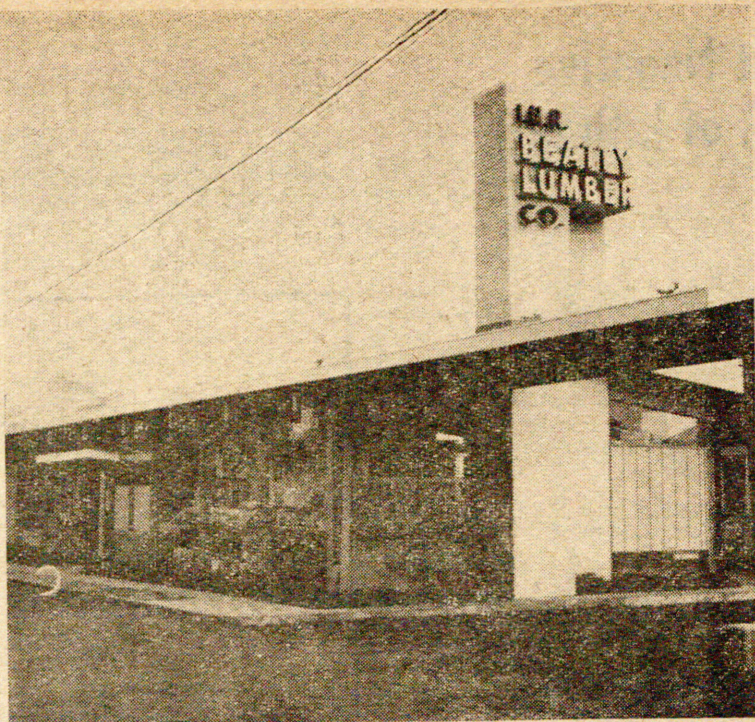

All school children of Mokena are looking forward to the big annual Hallowe'en parade to be held in Mokena this evening Oct. 31.

Starting at the public school on Carpenter st., the line of march will lead to the VFW hall on Wolf road where prizes will be awarded for the best costumes, by the Amvet auxiliary.

The VFW post will be in charge of the large bon fire, weather permitting, and the Chamber of Commerce will provide the hot dogs and buns for roasting.

The music for marching will be provided by Mokena Teen Age orchestra. Everyone is invited to watch the parade, gather in the hall and enjoy dancing which will follow. A good time is in store for all.

A traffic expert has suggested that highways be tinted with colors. How about a good, practical red that won't show the blood? Changing Times.

HANDSOME ADDITION is this new show room the INR Beatty Lumber company has added to its Tinley Park plant. The new addition is practically all glass, as far as exterior walls are concerned. There is a sketch on one of the end panels done as a part of the officially sanctioned celebration of Hallowe'en. And what appears to be two automobiles inside the building are just images. The good looking addition to the Beatty holdings is also a good looking addition to Tinley Park. (Robert Porter photo).

300 Attend Gleaner Conclave at Joliet; Initiate Class of 25

Mrs. Loren Sass and James D. Frazer represented the Maple Street Arbor of Gleaners at the biennial convention which was held over the week-end in the Hotel Louis Joliet in Joliet. Mrs. Sass was a delegate from Maple Street Arbor and Mr. Frazer served on the law committee. About 300 people attended, representing five states, Michigan, Ohio, Illinois, Indiana and Iowa.

The buffet supper Friday was followed by a social hour. Mrs. Nellie Goodnecht of Kankakee was in charge of the initiation of 25 new members into the organization, one of whom was Larry Francis of Maple Street Arbor.

Saturday was devoted to reports from the national officers election of officer and business procedures. The convention banquet was held Saturday evening. Dr. Harvey C. Hahn, pastor of the Evangelical United Brethren church of Dayton, Ohio, was the speaker. Dr. Hahn, who has a weekly radio program in Dayton, spoke on the subject, "Beef, steak and no Teeth". National president R. G. Ransford also spoke at the banquet. President Ransford is from Birmingham, Mich. where the Gleaner National headquarters are located.

Memorial services were held Sunday morning in honor of all society officers and members who have died since the last convention in 1955. This was followed by the installation of officers. The convention closed Sunday afternoon with a luncheon following the adjournment meeting.

Commuters Fight Fare Increase By Rock Island

A second hearing before the Illinois commerce commission by the Rock Island railroad, seeking to boost commuter fares by 20 per cent, is set for Nov. 1. The first hearing was held two weeks ago.

Railroad officials cited increased operating expenses and new wage hikes as proof of the need for a fare boost. Financial exhibits showed a 1956 suburban service deficit of \$1,434,560, or a deficit per passenger mile of 1.32 cents, according to Rock Island officials.

Chicago and suburban commuters of the lines are vigorously opposing the fare increase. The railroad carries more than 37,000 commuters daily.

Oppose Fare Hike
Donald M. Roche, attorney for the Commuter's Council of Chicagoland, who was present at the hearing, branded the application premature in view of present inquiries by the inter-

state commerce commission into all railroad bookkeeping system. He called for a commission investigation of Rock Island Line books and records, with a study of system-wide gains and losses and service.

Roche said he will present a group of regular commuters to testify to present service and equipment.

"I can't see a 20 per cent increase," he added, "judging from the present poor service and equipment."

Also opposing the increase at the hearing were State senator Herbert M. Johnson, (R. Chicago), Paul Brumund, (Joliet) corporation counsel; Arthur Grosskopf, Oak Forest village attorney; Paul Schreiber, attorney Blue Island; and Joseph T. Lavorci, attorney for the

Ridge Civic council. Need More Revenue

The proposed increase would result in \$373,451 in additional revenue, Harold Miller, railroad statistician, told the ICC examiner, F. B. McElroy.

"It would require 57.62 per cent increase in revenue to entirely wipe out the suburban deficit," he said.

Total operating revenue for 1956 was \$2,574,185. Total expenses were \$4,008,746.

Miller also pointed out that in 1951 the postoffice discontinued transportation of short haul mail by train, with a corresponding loss of that revenue by the railroad.

Road Program Ahead Of Winter

Work on Francis road and the north and south road that leads from Francis to U. S. 30, along the east edge of the Lincoln-Way high school, is safe now against disruption by winter weather.

A stone base has been laid on Francis road and it is the hope of all persons in the area that it will be blacktopped next year, thus providing a direct paved thoroughfare from Tinley Park to Gougar road on the east fringe of Joliet.

Crews began spreading stone on the road bordering the high school grounds so it should be ready for travel soon.

When open to traffic school buses plying between Mokena and the school, can travel this route, thus avoiding a grade crossing of the Rock Island and the use of U. S. 30. The road runs under the rail road south of Francis.

County Highway Superintendent James McCarthy who has had charge of the work has taken care of the portion between Wolf road and 115th ave. Francis road is a state aid project. It has been widened by right-of-way purchased by the county, and several curves reduced. There was no provision made for reducing the curve at 115th ave., however, so the state

CROP Elects 1957 Officers

Local church, civic and farm groups formed the Will county CROP board at a recent meeting at The Frankfort Methodist Church.

The board will direct the 1957 appeal of the Christian Rural Overseas Program for donations of farm grown food to be used in overseas relief operations of the churches. Board officers will prepare the campaign and work with the campaign director, who is to be named.

Officers of the county CROP Board elected at the meeting are: William Polley of Plainfield chairman; Rev. E. Dale Kleinschmidt of Trinity Methodist church, Joliet, vice-chairman; Rev. Elwyn Goodsell of Theodore St. Lutheran church, treasurer; Mrs. Robert Shinn, Will County Home Advisor, secretary; and Rev. Ben F. Day of the Frankfort Methodist church, publicity chairman.

Other members of the board are: Rev. Gerald Gingrich of Beecher, Rev. George Moulthrop of Lockport, Jim Tilsy of Mokena, Mr. and Mrs. Clair Hemphill of Elwood, Hal Holz of Wilmington, Glen Shippey and Rev. Ernest Gander, both of Peotone.

In addition to the above, the following organizations in Will county will cooperate with the county CROP board: Will County Farm Bureau, the Joliet office of A.S.C., Will County Home bureau, and Will County Minister's Association.

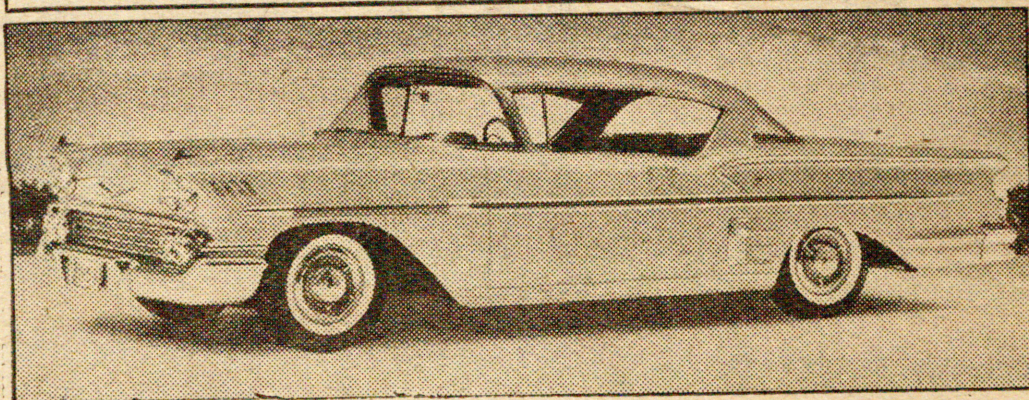

The CROP campaign director will be announced next week, chairman Polley said.

CROP Sunday will be observed Nov. 17 in the churches of Will county. Tuesday, Nov. 19, has been designated as CROP Day when all the canvassers will call farm to farm collecting corn and soybeans.

would not approve plans bringing the improvement thru to Wolf road. The county, however, will see to it that a proper link is provided.

"Disengage Power Take-Off"

That's the theme song this fall for members of the Lincoln-Way chapter of the Future Farmers of America who are taking part in the 1957 Illinois FFA Safe Corn Harvest Program.

Robert VanRheeden, vocational agriculture instructor, says that FFA chapters all over the State are united in this campaign to prevent corn harvest accidents this year.

As their part in the campaign, the Lincoln-Way boys will visit farms in the area and will make sure that the farmers they visit know the rules for safe operation of (check for local use) tractors, corn pickers, forage harvesters, combines, with row-crop attachments, silo blowers and elevators.

Each farmer who pledges himself to observe the rules for corn harvest safety have a special "Safe Operator" ticket placed on his equipment by the boys.

Sophomore Chorus

The Sophomore Chorus has been enjoying for many weeks a series of talent programs given every Friday. There have been many fine programs, with members doing their share. Such entertainment as group singing or solos, poem readings, and instrument solos have made up the greater part of the programs. Most of the girls are grateful for this opportunity to do something as it builds up their stage presence and give them greater confidence in front of an audience.

National Honor Society

Five seniors were inducted into the Lincoln-Way chapter of the National Honor Society on October 17. The president of this year's organization, Wendell Anderson, presided at the ceremony and was assisted by Ken Weber, Carol Werner, Helen Sheridan, and Jim Stauffenberg, who gave talks on the qualities needed for National Honor Society membership—character, leadership, scholarship, and service.

Initiates were Ted Dunham, Ron Fredin, Dave McGuire, Leonard Senglin, and Dave Zechlin.

Law On The Farm

HUNTING

The hunting season is with us once more, and farmers are wondering about their legal rights in this area. A better understanding of these legal rights by both farmers and hunters will help make 1957 a year of pleasant hunting for all concerned.

By law, game belongs to the state of Illinois and not to the owner of the land on which it reproduces. However, this does not mean that the people of the state have the right to go on any land they choose to hunt game. In fact, the contrary is true—the farmer in possession of the land is the one to decide who shall be given the privilege of hunting on his land. The laws of Illinois provide that it is a criminal offense for a person to hunt on land without first getting permission.

Some hunters have the mistaken impression that, if they get permission to hunt from the owner of rented land, it makes

no difference if the tenant objects. This impression is wrong. Unless the lease says otherwise, the tenant, being in possession of the farm, is the only one who can give permission to hunt. The landlord, by renting the land, has given up his right to grant hunting privileges.

It is not necessary to put "No Hunting" signs on farm property in order to prevent unauthorized hunting. In addition to the criminal offense of hunting without permission, a trespassing hunter may be held liable for any damages he causes on the land, be it to crops, livestock or other-

wise.

Occupants of land enjoy a special privilege under the hunting license laws of Illinois. They and their children actually living on the land do not need to get licenses to hunt on the land they occupy. This privilege does not extend to other lands or to the landlord of rented land. Persons enjoying this privilege must observe the other provisions of the game code.

Harvest time is "be careful" time.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Acts 4:23-31.

Where your treasure is, there will your heart be also. (Matthew 6:21.)

Possessing a big business and every possible luxury, we busied ourselves in work and money-making. On Sundays we drove to the mountains to our country home, which was surrounded by a large garden. There we toiled all day. But suddenly everything was taken from us.

This great distress led us to reflect upon our lives. The longing for God that had been slumbering deep down in us now became aroused. The grace of our Lord became mighty in us. In the midst of our trials we recognized the loving-kindness of God. We became thankful that we had lost everything upon which our hearts had been set. We recognized in this the leading of God's kind hand.

As the result of losing our earthly possessions, we have time for the Lord. We have learned to pray and to commit to Him all our actions, all our lives. We have gained the peace of God. Now our lives are filled with thanksgiving and an unshakable faith in Christ our Redeemer.

PRAYER

Our Father, we find it so easy to forget Thee when we become possessed by our possessions. Forgive us, we pray. Teach us to love and honor Thee, to worship and serve Thee; through the mercy of Christ our Savior. Amen.

THOUGHT FOR THE DAY
The peace of God is worth more than all earthly possessions.

CHRISTIAN SCIENCE CHURCHES

The way to overcome sin through spiritual understanding of God, divine Love, will be set forth at Christian Science services Sunday, November 3.

Scriptural selections in the Lesson-Sermon entitled "Everlasting Punishment" will include Christ Jesus' parable (Luke 15) of the prodigal son who "wasted his substance with riotous living."

Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (242:15): "In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error,—self-will, self-justification, and self-love,—which wars against spirituality and is the law of sin and death."

The Golden Text is from Ezekiel (18:30): "Repent, and turn yourselves from all your transgressions; so iniquity shall not be your ruin."

Chicago Seeks Suburban Aid In Transportation

(CNS) Chicago must sell the suburbs and downstate that shouldering the financial dilemma of mass transportation systems will benefit all concerned.

Members of the new State Mass Transportation Committee were agreed on this at their first meeting Wednesday in Chicago.

Observers saw little hope of changing the situation requiring a choice between heretofore among the majority equally undesirable alternatives—a transit tax aid of some sort or watch mass transportation companies go out of business.

Committee members, however, avoided use of the word "subsidization," an idea killed in the last session of the legislature. The committee is to hand its findings to the next session of the state body for action.

Sen. Elroy C. Sandquist Sr. (R., Chicago), said "We must sell the people of the state that the mass transportation problem can, must and will be solved."

Says Problem for All

"I know," said William J. Mortimer, Cook county highway superintendent, "that there's been a cleavage between Chicago and the suburbs on mass transportation. But this is not Chicago's problem alone. It's a metropolitan area problem."

"I don't see, economically, how the suburbs and downstate areas can let mass transportation facilities go—out of business. They won't realize the full import of this until the service no longer is there."

Mortimer was named chairman of the group's urban subcommittee. Others on this subcommittee include Sen. Frank M. Ozinga (R., Evergreen Park), Sen. Albert E. Bennett (R., Chicago), Sen. Donald J. O'Brien (D., Chicago), Rep. Peter C. Granata, (R., Chicago) and Rep. Richard A. Napolitano (D., Chicago).

Sen. Merritt J. Little (R., Aurora) was named chairman of the interurban subcommittee. Its members include Paul O. Dittmar, Harvey, president of the South Suburban Safeway Lines; Downing B. Jenks, president Rock Island railroad; Roy C. Blackwell, member DuPage county board; Sen. Arthur J. Bidwill; Rep. John N. Erlenborn (R., Elmhurst) and Rep. James Y. Carter, (D., Chicago).

Business and Finance

Maurice P. Angland

Financial circles have been studying the effect of successful launching of an earth satellite by the Russians.

It has long been felt that there are too many manufacturers of aircraft and that these firms will likely go thru the same sort of changes experienced by automobile and the home appliance manufacturers.

Due to better distributing power as well as cost and design factors, etc., there are only a fraction of the number of automobile manufacturers there were in active competition a few years back. The same can be said for appliance manufacturers.

The new emphasis on missile development, is likely to hasten the evolution in the airplane field.

The testing and development of both the intercontinental and the intermediate range missile will be stepped up considerably. However, it is reported that neither of these missiles is at the stage where they can be quickly placed in quantity production.

Tax Cut Hopes Dim

The missiles are not expected to replace the bombers and the military will be faced with increasingly expensive and complex bomber production as well as the missile program.

The missile program will not benefit all the aircraft manufacturers to any appreciable degree. The electronics industry will become more important than ever. New fuels will be developed. New rocket motors of greatly expanded power will be developed.

The hoped for tax reduction with a smaller defense budget would seem to be something for the dim future. Long range missiles are very expensive. When congress meets in January, there will be considerable consideration of authoritative statements that Russia has caught up with and passed us in some of the key armament development. The ramifications of efforts to correct this situation will be wide.

The Federal Reserve states that it is going to continue to hold to its present policy of credit restraint. It is, however, obvious that this effort will have some heavy pressure for relaxation after congress meets in January.

Satellites Make Business

The stock market now offers quite a number of what would normally be considered conservative investments yielding from 6 per cent to even as high

as 8 per cent at current dividend rates. Some of these stocks have been paying regular dividends for 20 to 30 years.

A few months ago the following firms were announced as being selected to manufacture our own earth satellite after its development. Martin Company of Baltimore as the prime contractor and the actual assembly to be at Naval Research Laboratory; satellite skin and supporting framework being fabricated by Brooks & Perkins of Detroit, the skin to be magnesium alloy with a mirror polish.

First stage rocket to be liquid fueled manufactured by General Electric, second stage rocket also liquid fueled by Aerojet General Co. (subsidiary of General Tire). Guidance system of the whole in the second stage rocket. Third stage is solid, fuel rocket whose design is to be supplied by Alleghany Ballistic Laboratory and Grand Central Rocket Company.

Some usually well informed sources believe aircraft stocks as a group, are undervalued.

Stock Market Classes To Open At Sandburg

With public interest increasing each year in stock and bond investments Corporate Enterprises, Inc., Detroit Investment Counselors are continuing and expanding their stock market classes which were proven so popular in the greater Chicago area this past spring. Beginning Wednesday, Nov. 6 at 7:30 p. m. classes will begin at Carl Sandburg high school, 133rd and U. S. 45.

The Investment Counselors conduct a serious and intensive study of stock market fundamentals and techniques and furnish all text materials. These

classes include discussion with questions and answer. Class leaders are especially trained registered representatives from Chicago members of the New York stock exchange and skilled in the presentation of this material which has been used in classes in investments for adults in the Detroit area for the past ten years.

A unique feature of the program permits husband and wife to be considered as one enrollment, as investments are felt to be a family affair. Once enrolled, they become permanent members with privilege of returning to future classes without charge.

The Dow Theory, dollar averaging, mutual funds, market formulas as well as other investment plans are among the many subjects included. One interesting topic is odd-lot indexes, on which is based the theory of contrary opinion. Another major topic is making and studying stock market charts and their vital importance to the investor.

Sapphires and rubies have been made as a sideline at the Naval Ordnance Laboratory, Silver Spring, Md., by scientists "growing" metal oxide crystals for use in the brains of guided missiles.

I, George E. Gee, Cashier of the above-named bank, do solemnly swear affirm that the above statement is true, and that it fully and correctly represents the true state of the several matters herein contained and set forth, to the best of my knowledge and belief.

GEORGE E. GEE

Correct—Attest:

James W. Gee, D. O. White, Lewis J. Macauley, Directors.

State of Illinois, County of Cook, ss:

Sworn to and subscribed before me this 11th day of October, 1957. My commission expires December 23, 1958, L. W. Wydeveld, Notary Public.

Dramatic New Styling Marks 1958 Chevrolet

Dramatic new styling and outstanding engineering advances mark the 1958 Chevrolet, which makes its bow today, Oct. 31. It may be seen in this area at Nielsen Chevrolet Inc. at Harvey; Trump Chevrolet Sales of Frankfort and Swanberg Farm and Auto Service at Mokena.

Also on public display for the first time will be the rakish 1958 Corvette and the latest in the Chevrolet truck line.

The makers claim the 1958 Chevrolet is new from bumper to bumper and from frame to roof line. The new features include:

A completely restyled car which is longer, lower and wider and emphasizes flowing sculptured lines from the dual headlamps to softly flared rear fenders.

An X-shaped frame which allows a lower silhouette but retains ample head room and increases leg room and luggage space.

Two suspension systems for a better ride along with remarkable handling, stability and durability. Sturdy coil springs, front and rear, are standard. A new "level air" system which automatically adjusts to all load weights is optional.

Engine is New

A 348 cubic inch engine which is new from fan to flywheel. Designed primarily around a new combustion chamber, the optional Turbo-Thrust V8 offers greater torque for improved mid range performance.

Chassis body design integration to supply exceptional structural strength and greater rigidity.

Forward mounted steering linkage which provides more responsive action and reduces road vibration to the steering wheel.

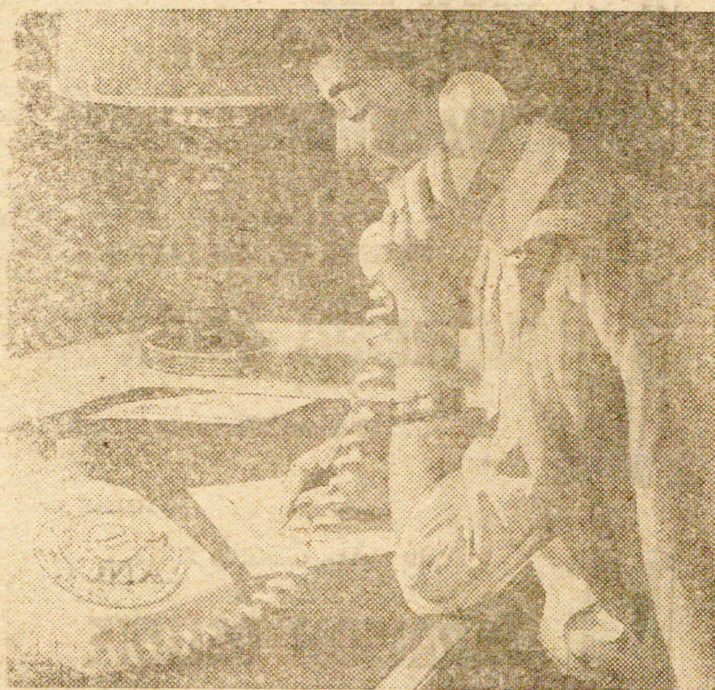

Some idea of the newness of the Chevrolet line is suggested by the new body groupings and identification.

In recognition of the growing

popularity of station wagons, an exclusive five unit series of this body type has been established.

The Bel Air series is continued, but adds among its six models a sumptuous sport coupe and convertible under the Impala nameplate, introduced on a "dream car" at the General Motors motorama in 1956.

In the middle range of the low priced car bracket is a Biscayne series, with two sedans. The bottom end of the price spread will be occupied by three models making up the Delray series. In 1957 comparable series

It was the first of the week again...

You're planning the week's schedule. A dental appointment to be made for Johnny, things to get from the store, friends to be invited in for an evening. Naturally, you turn to your telephone.

The telephone—dependable servant around the clock! Saves you time, steps and trouble. Helps you get so much more done, with so little fuss. And you agree—life wouldn't be half so smooth without telephones around the house!

ILLINOIS BELL TELEPHONE

Naturally, you turn to your telephone

were known as Two-Ten and One-Fifty, respectively.

Roominess and quality of the new line, says the company, will be immediately apparent.

Over all lengths have been extended a full nine inches to a new measurement of 209 inches. The wheelbase is up two and one half inches to 117½. Roof lines have been lowered up to 2½ inches, yet design skill has retained ample passenger head room.

Coil Springs at Rear

Dual headlamps, a grille with fine grid concave ribs and a low flat hood unbroken by ornamentation, distinguish the frontal view. Varied two-tone color patterns, a judicious use of chrome moldings and decorative panels give each series an individuality and supply the latest examples of the industry's new art of "sculpturamic" styling. The rearward treatment also is unique. Avoiding sharp fin protrusion, rear fender lines sweep outward from the body, then curl around the tail light ensemble to form a shape which stylists likened to a graceful gull wing in flight.

Chevrolet is quick to explain that the longer, lower lines of the 1958's were not inspired alone by a desire for beauty. The form complements advances in chassis engineering that promise to heighten immeasurably driving and riding enjoyment.

Important in the broad gains along the mechanical front is the adoption of coil springs at the rear wheels as a standard fixture. Long a front end feature on Chevrolets, the coils cushion shocks far better than previous suspension systems.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 5187

Mr. and Mrs. Alvin Bruggeman and Mr. and Mrs. Harold Scheer returned home Saturday from a ten day trip to New Orleans, where they attended the National Association of Mutual Insurance companies as delegates of the Green Garden Insurance company.

The F-men will have their next card party Friday evening Nov. 8 at 8 o'clock in the Town hall. The public is invited.

Mr. and Mrs. Albert Steinberg and Mrs. Mary Bettenhausen were dinner guests Sunday of Mr. and Mrs. Earl Bettenhausen.

The Womens Guild of St. John's E and R church of North Peotone will meet in the church Thursday, Nov. 7 at 1:30 p. m. Miss Elsie Schweisaw is pro-

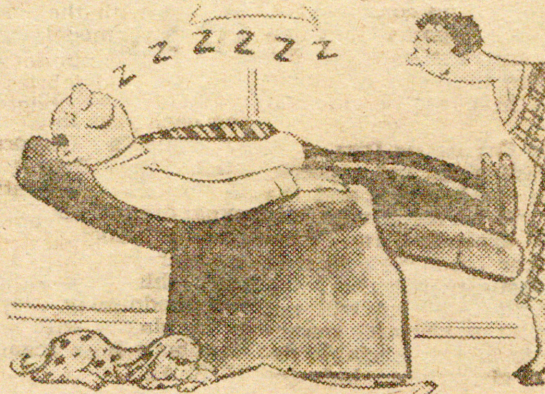

gram chairman. This will be the Ingathering service and a sound film will be shown on "Seek Ye First", at the birthday tables will be Mrs. Emil Groth, Mrs. Jurras and Mrs. Fred Gast.

Since 1930, farmers have used about 6 percent more fertilizer each year.

About 96 percent of U. S. farms and ranches are family-operated, the same proportion as 30 years ago, says the USDA

Fall Festival

The annual Fall festival will be held at the Homer church Tuesday, Nov. 5. A chicken supper will be served from 5:30 to 7:30 p.m. Fancy work, rag rugs, a country store and a fish pond for children will be features of the evening. Tickets may be purchased from any member of the Homer Men's club, or reservations may be made with Mrs. Roy Parker or Mrs. John Hollister. A few will probably be available at the door.

The committee, consisting of Mrs. Roy Parker, Mrs. John Hollister and Mrs. Frank Parker are requesting that any one who has aprons or fancy work intended for the sale, to please turn them in before Nov. 5, if possible. Mrs. George Burcham is the apron chairman and Mrs. Parker, has charge of the fancy work. Items for the country store and fish pond should be given to Mrs. F. J. Paddock.

The Wayside Workers circle of King's Daughters will meet at the Homer church Thursday, Nov. 7, with Mrs. C. G. Rowley as hostess. Dessert-coffee will be served at 1:30.

The Rev. Roy Hanson preached at the Homer church Sunday and will be in charge again next Sunday. On Nov. 10, following the morning service a vote will be taken to determine whether or not to call him as pastor of the church. He and Mrs. Hanson and baby daughter, were dinner guests of the John Hollisters, Sunday.

Stewart Reiter was home from Urbana for the week-end.

Mrs. Robert Shepherd has been quite ill in her home for a few days.

Jerry Paddock entertained his grandparents, Mr. and Mrs. George Milton at supper in his home Friday evening. He was ably assisted by his paternal grandmother, Mrs. F. J. Paddock.

Mr. and Mrs. Randall Storm were guests of Mrs. Paddock, Thursday.

Mary Ann Becker of Lockport spent Sunday night with her friend, Betty Anderson.

Linda Nelson, Susanne and Edna Mae Burcham and Bonnie Mlynarik spent Friday night and Saturday at Camp Chalet near Channahon, with the Mariner Scouts.

Mrs. Henry Rodgers, assisted by her daughter, Mrs. John White, entertained at dinner Sunday in honor of the birthday of Mrs. Bell Storm. Other guests, besides the Rodgers and White families, were Mr. and Mrs. C. G. Rowley Mr. and Mrs. Fred Kopleman.

Mr. and Mrs. F. M. Milne and Mrs. Ira Anderson went to Plainfield Sunday to see Jake Kolar who is quite ill in the home of his daughter, Mrs. Jacob Freehauf.

The Joe Vancils of Downers Grove called on relatives here Sunday.

George Burcham received a cut on his face and damage to his car quite badly as he was enroute to work last Sunday evening. He lost control of the car and ran into a utility pole.

Mrs. C. G. Rowley attended a

'58 Swept-Wing Dodge Makes Its Debut Today

Significant advances in safety engineering, fuel economy, and engine performance, plus dramatic "Swept-Wing" styling, distinguish the 1958 Dodge passenger cars, which will make their debut in dealer showrooms tomorrow, Nov. 1. In this area they are shown at Bettenhausen Motor Sales, on Oak Park ave., Tinley Park. The all-new Ram Fire V-8 engine, designed for top economy and performance, as well as quiet operation, heads a long list of important engineering features of Swept-Wing '58. Among these is the "sure grip" differential, which provides pulling power to the rear wheel with the most traction, eliminating wheel-spinning on ice or snow, or in sand and mud.

Dual Headlight Styling

Dual headlights, mounted side by side under bold fender hoods, provide greater safety for after-dark driving, and set the pace for Dodge swept-wing styling.

Looking over the low hood of all 1958 Dodge convertibles and Lancer hardtops is the compound curvature "picture" windshield, which offers true control tower visibility and blends fashionably with the fast lines of Dodge sport models.

New interior and exterior colors and fabrics are available on all 1958 Dodge models.

Offered this year as a single safety package on the 1958 Dodge are the completely new, full-time constant control steering, total contact floating shoe power brakes, padded dashboard and padded sun visors. Other safety features include life-guard safety door latches and safety door handles, both designed to secure doors against accidental opening.

An added safety and comfort feature is torsion-axle suspension, regarded as the most modern of any American design. The torsion bar system, combined with an extremely low center of gravity, gives a smoother more controlled ride.

Torque-Flite automatic transmission is available on all the Dodge V-8 models, while Power-Flite is offered on all 1958 Dodge Coronet models.

The 1958 Dodge line consists of the Coronet, Royal, Custom Royal and station wagon series.

meeting of the Lockport Friendly club in the home of her daughter, Mrs. Marie Ott, last Friday evening. Mrs. Elmer Rowley was the assisting hostess.

The Homer Men's club will meet at Homer church Thursday evening, Nov. 7. Choir rehearsal is now being held each Wednesday evening.

Death of Mrs. Stafford

Mrs. Arthur Stafford (nee Amy Sutton), 60, died Tuesday, Oct. 22 in St. Joseph's hospital, following a few months' illness. Her life was spent in the DuPage, Troy and Minooka areas until she and Mr. Stafford retired to Joliet about two years ago. She was the step-mother of Mrs. Robert Shepherd, Sr., of Homer, and the mother of Mrs.

Eugene McClintock, formerly of Homer. Besides her husband, she leaves four children, seven step-children, to whom she was a devoted mother; 25 grandchildren and 21 great grandchildren. She was an active member of the Troy Bible church, started a few years ago, largely thru the efforts of her son, Stanley.

Funeral services were held at Sonntag funeral home, Joliet, Friday afternoon with burial in Woodlawn Memorial Park.

Building Permits

Permits to build new homes in Homer township have been issued to David D. Ramage of Lockport who will build 1/2 mile east of Parker rd., a 6 room frame; to Edwin Bormet, Lockport, 6 room frame and garage, off 143rd st., near the fire house, and to Small Homes Corp. of Joliet, an \$8450 home on 145th st., near Rickerman.

Two Teen Boys Do Terrific Job At Oak Forest

Three Oak Forest teenagers, Ronald and George Rix, of 5260 W. 159th st., and Ronald Coyle, 15811 Laramie ave., have been doing a terrific job on Sundays this past summer, wheeling patients to the Oak Forest Hospital chapel for the 9 a.m. non-denominational service.

Alert to the many patients who would like to attend the service, conducted by the Rev. Anthony A. Tinklenberg, this trio of Good Samaritans are asking other teenagers to join the Oak Forest Volunteer Corps and help get the patients to church.

Mrs. Edith Allen, of Worth, member of Oak Forest's Volunteer advisory committee, has offered to assume the leadership

SYcamore 8-5669

One, two, three, and away we go! This coming Saturday night will be our night for fun and frolic.

If you have been following my column, you know by now our hard times dance is this week-end. And it seems now a grand time to meet each other, to have a little fling, and laugh and romp together for the first time. We can hope that in our future we will have many such happy occasions, but this being our very first-let's enjoy it!

As I've told you, there will be a five-piece band, the Homewood VFW Hall will be all decorated, everybody is invited to come in hard times clothing (as ragged as you please!), and drinks will be sold for those who wish them, hot dogs also.

If there is that one constant problem of baby sitters, why not double up with neighbors and relatives and share the cost?

Everything has been planned for our pleasure. What about those who don't expect to be feeling quite so nimble that night? Those who would rather not dance? Well, in that case, there is to be the distribution of 18 wonderful prizes, some valued at nearly \$200!

I said everyone will gain from this evening. And so they will. Do you realize all profits from the dance and drawing tickets will be put into a fund to present to our Coopers Grove School? What could be better than having a gay evening and also knowing our money will be used for the benefit of our children?

Down to the essentials: Dance tickets may be purchased from the dance social chairman, Mrs.

Hazel Marquiesen, who lives at 4720 182nd Place. Phone: SY-8-5593, or (you may pay at the door.)

Well, I can't think of anything else to tell you about it. I'll have to stop writing now and get busy on my own costume. See you there Saturday night. I'll be looking for you.... Nov. 2 Hard times dance VFW Hall, Homewood. Wednesday, Nov. 6

Mothers Club

Every first Wednesday in Coopers Grove school, 184th and Central at 8 p. m. This month will have important report about: (1.) The smorgasbord on Oct. 6. (2.) Projects considered for gifts to school. (3.) Social events planned for remainder of year (especially Christmas).

Every Week Cub Scouts

Four Cub Scout dens are meeting in homes of Den Mothers various days of each week, depending on the member's plans. If you have a son who is curious about the Scouts (age 8 to 11 years) let him attend a den meeting with a buddy.

American Legion Post 615, Tinley Park

Meets on first and third Tuesdays of each month. (third is social). Auxiliary meets on (second and fourth Fridays, (fourth is social). (Contact Mrs. A. Lutze, 5620 West 175th st., (Tinley Park.)

SPEEDING

Several men of our village have brought to my attention a threat to the lives of our young children.

To date they have witnessed two separate vehicles which speed thru our streets every day. One was a red truck and

the other was a black sedan. These same drivers have been speeding in and out of our village every day!

Stop and think. Have you seen them? I called the nearest police number listed in our new phone books. Sure enough... I was told that all it requires is a call to them and they will send out a patrol car as fast as possible. At least, we will have a patrol car available now. Remember that when you witness reckless driving.

Take down the description. If possible write down the license number. If possible, stop the men but the most vital point is: REPORT IT. Even if you have no concrete identification, a constant accumulation of reports that there are reckless drivers out here, will eventually get some worthy action. Remember, we mustn't wait for the death of a child to stir us. Call the FIRST time you see reckless driving. The number? Homewood Acres Police. SY-8-3181.

LET'S GET AWAY FROM IT ALL

These young people, in the seventh and eighth grade of our school, have offered their services as baby sitters. What do you think about that? They are all ready and willing... Their ableness is for us to learn as we call them for information. With such a list we can surely all find a few to our liking:

MEET YOUR NEIGHBOR

Mrs. Milly Berden, 4650 183rd street, has really been busy lately. She has entered into the program for the Cub Scouts... even though she has no boy of her own that age! She is work-

along with them steadily. Besides helping with the den meetings, etc., she has been helping young boys earn independent money by selling door-to-door subscriptions for this newspaper. Some of her boys may end up big business Tycoons! If you want a subscription and haven't had a boy come for it yet, call her and arrange for a boy to come. Phone SY-8-6794.

Arthur and Dorothy Ebert, 4441 180th street, had a "full house" the other night. There were 17 friends and relatives in their home... some from Ind. Dorothy said the following Saturday they were all going to a family wedding of one of her guests. What a happy occasion!

Young Kenneth Fisher and Raymond Petroski had a whirlwind job two weeks ago. They volunteered to carry newspapers from house to house in the new blocks of Unit 2, east of the school buildings. Strong leg muscles and healthy hearts, that's what they needed. Maybe later we'll get a pony express, and eliminate some of this footwork that's been going on out here for the past months. Til then... strong legs and healthy hearts.

BENT NOSES

Toes have been trampled! Feathers have been ruffled! Noses have been knocked out of joint!

What a sight we must be by now. During this initiation period of trying bravely to establish a newspaper column where none had come before, I committed the above crimes. Pedaling for news on my bicycle, answering the phone during break fast, typing at least four hours every week... not to mention a tiny bit of THINKING. (Oh yes, and four baby boys, a husband, and a half-acre.) Well, sometimes this all resulted in one crosseyed ink blotch.

To you who have suffered, I salute you.

To you who are about to suffer, I say "Into the breach! Don't fire" til you see the white of my head!" and other such useless maxims.

The only possible way to avoid printing mistakes about dates, statistics, and names, is for YOU to help ME. Write

everything down (if it worries you) and drop it in my mail box. That way I can blame somebody else for a change. If you don't trust the world (and who should?) put it all in writing (first... then give it to me.

As for me... my ears are ringing, my eyes are crossed, my hair is standing on end. I've loved it, but it's been hectic, don't think it hasn't. With home it's all or nothing. Well, til next week (or the hard times dance).

May You Fare Well

Deborah Anderson
Phone 3651

Mr. and Mrs. Robert Q. Manheim, 133 Haven ave., entertained in their home Friday night, at a surprise party, honoring their son Grover, who celebrated his 15th birthday anniversary Oct. 26.

Games were played and refreshments were served by Mrs. Manheim. Guests were Donald McGowan, Joey Beaupre, Jim Fetsner, Ronald Lerchen and John Warning.

Boy Scout Troop 49

Members of the Boy Scout troop 49, their Scoutmaster Robert Buckler, and several friends enjoyed a hayrack ride Friday night, Oct. 25. The rack with its occupants left the Glenn Vally home at 7 o'clock, and returned to the Boy Scout cabin in the camp grounds, where refreshments were enjoyed.

New Lenox Home Bureau

The New Lenox Home Bureau unit met Friday afternoon at the home of Mrs. Ivan Archibald with 16 members and five guests present. Mrs. Harold Cutler assisted in the serving of the dessert coffee at 1:30. Mrs. Betty Shinn, Home Advisor, gave the major lesson on The Heart of the Home. The next meeting will be a potluck luncheon at the home of Mrs. Phillip Triem, Nov. 22.

Mrs. Edna Deadmore of Blue Island was a luncheon guest Wednesday of Mrs. Edna Collatz.

Mrs. Earl Schroeder, and daughter Bonnie, Mrs. Emil Reckemer and Mrs. Len Anderson motored to Saugatuck, Mich. last Tuesday where they visited Mr. and Mrs. A. W. Walsh.

The Evening circle of the Methodist church met Tuesday night, Oct. 22. Mrs. Rowena Wolfinger opened the meeting with the devotions. The hymn, "Holy, Holy, Holy" was sung. A program followed the business meeting, given by Mrs. Marion Kerr, on Segregation and Integration. Hostesses were the Mesdames Beverly Fascinelli, Lucille Sampson, Lynetta Stegner and Sylvia Nelson.

The Second Child Study club met last Thursday with Mrs. Betty Orey assisting. There were 11 members present. Mrs. Robert C. Taylor was a guest. Five new members have been added to the list. The next meeting of the group will be Nov. 21 with Mrs. Thomas and Mrs. Charles Wright assisting.

The New Lenox PTA will sponsor their annual Family Night, Nov. 16 at 7:30 o'clock. It will be held in the Haven school. A good program is being planned that will interest parents and children. This is one affair of the PTA that no one will want to miss. Michael Kruck is chairman of the affair. Tickets are now being sold.

Band Boosters

The New Lenox Band boosters met recently in the Haven school. President, Larry Carlson presided. There was a discussion of ideas for fund raising projects for the coming year.

Mr. Kenney, band director, showed the parents how the students should care for their instruments. Refreshments were served.

Family Reunion

Mr. and Mrs. Claire Christian and family had a family reunion at their home on Wood st., last week. Mr. Christian's son, Mr. and Mrs. Russell Christian and children of Walnut Creek, Calif., stopped for a visit, enroute to their new home at Philadelphia, Pa., and to make the reunion still more happy, his other sons, Mr. and Mrs. Richard Christian and children of Madison, Wis., and Mr. and Mrs. Clair Christian Jr. of Villa Park, also arrived, to spend some time here with them before their departure.

Ross Jensen, who makes his home here with his daughter, Mr. and Mrs. Arthur Nelson and family, returned Saturday from Silver Cross hospital, where he had been a medical patient for several days.

The New Lenox Woman's club will hold an open house celebration at the new library building on Church street, Tuesday, November 5 from 2 until 5, and 7 until 9 pm. Those serving on the food committee will be Mrs. Aurelia Bruns, Mrs. Jane Anderson, and Mrs. Carrie Pyle.

Members of the Woman's club are in Joliet today at the TB offices, where they are helping to stuff envelopes with TB stamps.

Mr. and Mrs. Ed Mangun left Wednesday for their home in Orlando, Fla., after spending two weeks here with their sons Gaylord and Vernon.

Twelve members and one guest met at the home of Mr. and Mrs. Emil Groth in Frankfort Oct. 20, for the monthly meeting of the New Lenox Riding club. A barbecue dinner was served by the committee, followed by the meeting. Don Warning won a prize.

Mr. and Mrs. Arthur Burrichter and son Jerry of Wheatland, Iowa spent the weekend here with Mr. and Mrs. Gaylord Mangun and son.

Young people from the Methodist church will participate in the annual collection for the UNICEF, the United Nations International Childrens Emergency Fund again this year. They will canvass the community sometime this week, giving the people here an opportunity to help the needy children of the world through this program.

The Afternoon Circle of the WSCS of the Methodist church will meet Wednesday afternoon Nov. 6 at 1:30 pm. in the church. A general meeting of the WSCS of the Methodist church will be held at the church at 8 pm., Wednesday, Nov. 13.

Members of the Bluebird 4H club met Saturday afternoon in the Lions Den for their first fall meeting. Mrs. Alice Archibald leader, Mrs. Charles Smith and Mrs. George Kestel spent the afternoon in teaching the girls how to knit.

It was announced that all 4H girls and their families are asked to go to the annual Will County Achievement night at the Laraway school auditorium

Early Dark Adds To Driving Perils

Now that Illinois cities and villages which had been on day light saving time, have returned to central standard time, the Chicago Motor club urges motorists to be "extra alert" because accidents go up when the sun goes down.

The club stressed that three out of five traffic fatalities occur at night altho only 30 per cent of driving is done during darkness. With the return to standard time at 2 a.m., Sunday Oct. 27, the club said darkness now falls during the afternoon rush hour when both pedestrians and motorists are returning home from work.

To reduce accidents, the club's safety and traffic engineering department suggests:

Cut down driving speeds at night.

Be especially watchful for pedestrians. A pedestrian wearing dark clothing is hard to see under artificial light.

Keep headlights and windshields clean to provide maximum visibility.

Check tail lights, turn signals and high and low headlight beams to make sure they are working properly.

Recovery from glare is slower when you are over 30. Make allowances for your age.

in Joliet Thursday night, Nov. 7 at 8 o'clock.

All 4H girls who have completed their project work will receive recognition at this meeting. The next meeting will be held Nov. 9 in the Lions den at 1:30 pm.

Chemical Group to Have Dinner Meeting

Dr. I. C. Gunsalus department head of biochemistry at the University of Illinois, will speak on the subject "Activation and

Transfer Reactions in Biological Energy Supply", at the November meeting of the Joliet section of the American Chemical Society, next Wednesday, Nov. 6, at 8 p.m. in Maple Manor restaurant on U.S. highway 52 about four miles south of Kankakee.

Prior to the meeting, a dinner will be served at 6:30 p.m. Those desiring dinner reservations may contact O. G. Maloney at Joliet 7-1711, extension 4113.

PTA News

MOKENA UNIT

The Mokena PTA held its regular meeting on Tuesday, Oct. 22nd, in the school gym. Mrs. Lawrence Istel, Membership chairman, announced there are 318 PTA members, a 20% increase over last year's membership. Mrs. Minnie Bignall's 5th

grade was the only grade having 100% PTA membership.

Norval Robinson, ways and means chairman, thanked all for their contributions to the bake sale which was held after the meeting. He announced plans are being made for the PTA dance which will be held Saturday, Nov. 16. Music will be furnished by the Teen Tones, made up of Mokena youngsters. Room count was taken by Ly-

man Teague and Charles Burkhardt. Mrs. Lorraine Abraham's 3rd grade room won the attendance award.

Father Gervais Brinkman, chaplain at Stateville prison, gave an interesting talk.

Rock Island Challenges Pleas Of Competitors To Serve Harbor

Contending that one railroad can adequately serve Lake Calumet Harbor, officials of the Rock Island railroad have challenged petitions by six other railroads to share in the minimum 31 1/4 million dollar annual revenue in freight activity forecast within the next 10 years.

Presently the Rock Island is the only railroad servicing the harbor, located at 130th st., and the Calumet Expressway, at Lake Calumet.

The six railroads desiring to extend rail service into the harbor are the Pennsylvania, New York Central, Illinois Central, Indiana Harbor Belt, Belt Railway of Chicago, and the Chicago South Shore and South Bend.

Hold Hearings

Hearings have been held before the interstate commerce Commission with officials for the Rock Island lines presenting voluminous testimony on their behalf.

The Chicago Regional Port district is in favor of additional rail service and has expressed opposition to a monopoly by a single railroad.

The applications of the six railroads to serve the port have won the open support of the Chicago Association of Commerce and Industry, the Chicago Board of Trade, North Pier Terminal company, Iliana Warehouse, and other groups.

Spokesmen for the petitioning railroads contend that better transportation will be offered the shipping public if prospective tenants of Port District facilities are given a free choice of service offered by several rather than one railroad.

They have presented testimony that such a choice of service is essential if the objectives of making Lake Calumet harbor a leading port and the area an outstanding industrial and transportation center are to be attained.

Opposed by Rock Island

The efforts of the other railroads to serve the harbor have been vigorously opposed by the Rock Island.

W. F. Throckmorton, chief engineer, testified recently before an interstate commerce commission examiner that the Rock Island has spent nearly \$500,000 on new freight yards and tracks, indicating these would serve the harbor.

However, Maxim M. Cohen, general manager of the Chicago Regional district, said that the Rock Island has spent no money within the harbor.

"We have built 14 miles of railroad tracks within the port at our own expense," he said. "Even the viaduct that will carry rails over Doty av., into the port is not being built by the Rock Island. It is a state of Illinois project."

Throckmorton advised that

his railroad plans to build a new yard at 124th st., with nine tracks having a capacity of 242 cars to serve the port. This will cost \$191,000, he said. In addition, the railroad is spending \$147,000 to enlarge its yards at 95th st., and \$144,000 in its 97th st. yard, he added.

The six railroads seeking entry have contended that when the port is fully developed there will be more business than the Rock Island can handle.

Plan Expansion

In an effort to block the petitions of other railroads to serve the area, Rock Island has disclosed immediate plans for further expansion of its service in the area.

In addition, officials assert the Rock Island is prepared to meet all the traffic demands of the port when more and bigger ships arrive with the opening of the new St. Lawrence seaway.

Also, they declare the railroad, the Chicago Regional Port district, and the Illinois highway department have worked out arrangements for building an overpass across Doty av., at 127 st., to facilitate the road's entrance to the port.

Ask Court Aid To Make Use Of Narrow Lot

(CNS)—Owners of a lot on the southwest corner of 102nd street and South Francisco ave., Evergreen Park, are scheduled to appear Nov. 7 before Circuit Judge Harry M. Fisher to argue for a permit to build on their lot which is too small to qualify according to the village zoning ordinance.

Lee and Maria Dougherty seek to build a single family residence on the lot which has a frontage of 29 feet 2 inches on 102nd, and is only 122 feet 9 inches deep. According to a village ordinance all lots must have a frontage of at least 40 feet and a depth of 125 feet, the suit said.

They contend they are entitled to a building permit as they owned the lot before the area was annexed to the village and came under the zoning ordinance. They have owned the lot since July 16, 1931, and were annexed on Sept. 7, 1954, the suit, drafted by Attorney Edwin A. Letke said.

Evergreen Park's building commissioner has refused to issue them a building permit, the suit said, because the zoning ordinance does not permit the construction of any building on the lot.

A hearing, conducted before the village zoning board of ap-

peals, does not look too promising the suit said, as the Doughertys believe the board recommended their request for a permit be denied in a report to the board of trustees. They also believe the village board will turn down their request when its decision is reached.

They ask circuit court allow them to build on the lot, with the building reaching to within three feet of both side lot lines, but conforming to the set-back lines.

Attorney Peter Schultz asks the Dougherty's suit be dismissed contending the action of the zoning board of appeals is in the best interest of the citizens in maintaining a high level of property values and an orderly development of unimproved areas within the village.

Bank Files Suit To Get Land Out Of Farm Class

(CNS)—Zoning 11 vacant acres about 128 feet north of 90th st., on the west side of Harlem ave. in Palos township for farming was labeled "arbitrary and unreasonable" in a suit filed in circuit court by Chicago National Bank, as trustee.

The plaintiff, represented by Attorney Richard P. Fredo, asked the court rezone the tract B-1 business to permit erection of a gasoline service station on part of the big parcel.

County zoning board has voted against the proposed rezoning, the suit said.

The complaint noted that property on the northwest corner of Harlem and 95th street, zoned B-1, has a gas station, trailer camp, and lumber company. It said the southwest corner of 88th and Harlem, in Bridgeview is zoned B-1 and is used as a trailer camp. It added property on the west side of Harlem between 91st and 92nd streets contains a plant for the manufacture of septic tanks.

The suit also pointed out that the village of Bridgeview in recent months has annexed property immediately north and west of the plaintiff's property, "for all practical purposes isolating the plaintiff's property."

It said part of the annexed tract north of the plaintiff's parcel is used as a trailer camp.

CHIROPODIST OPENS inside Dr. John L. Leonhardt, chiropodist and specialist, has opened an office at 17326 Oak Park av., Tinley Park, and will attend patients by appointment only, on Monday thru Friday evenings. Dr. Leonhardt has been practicing

Olds is All New from Head to Taillamps

Oldsmobile for 1958 offers a completely restyled style grille with narrow aluminum louvers, and body, featuring the new "mobile look." This distinctive and tasteful styling in the "98" Holiday coupe harmoniously employs horizontal trim to emphasize its long, flowing lines and low silhouette. The ultra-modern thin line roof sweeps rearwards to the top of the enlarged single-piece rear window. The redesigned front end is distinguished by new four-beam headlamps, recessed

lower sleek hood line. Dominant in Oldsmobile's 1958 styling are striking twin blades that sweep down the rear fender crown. Choice of three Rocket engines with improved economy is offered in the 1958 Oldsmobile, which has a smoother Jetaway Hydra-Matic transmission and New-Matic Ride, a new concept of air suspension, available as a desirable option.

45 Years of Continuous Business

1958 Ford Line Features Major Styling Changes

The 1958 Ford car line featuring major styling changes, the most efficient engines in the car's history, a new automatic transmission and new optional air suspension, will go on display at Ford dealerships Nov. 7. J. O. Wright, Ford Motor Co., vice president and Ford Division general manager, announced today.

"At a cost of \$185,000,000 we have developed a new Ford that incorporates some of the most extensive changes ever made in the car," Mr. Wright said.

Historically, auto companies have made basic changes in their cars every three years, he pointed out.

"But in its 1958 models, Ford has actually created fundamental design and engineering changes just one year after its completely new 1957 model," he said.

Demonstrating this change are twenty-one models on two separate wheelbases; the Fairlane and Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 300 and the station wagon, measuring 202 inches.

Sculptured-in-Metal

The external appearance of the new car features Ford's sculptured-in-metal treatment in which styling lines are molded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights, and power flow hood. New sheet metal treatment incorporates redesigned front fenders, new roof with seven front-to-rear flutes or grooves and trunk lid and rear quarter panel innovations. From the rear, the 1958 Ford is distinctive with a "V" sculptured trunk lid flaring into twin safety oval taillights.

Ford introduced the newest and most modern V-8 overhead valve engines in its 1958 line—the 332 and 352 cubic inch displacement engines. They combine new highs of efficiency, durability and economy with the added time and cost savings of quick service accessibility.

The economical "Mileage Maker" six is available for most models and the 292 cubic inch V-8 engine is standard on the Custom and Custom 300 series. Cruise-O-Matic, an automatic

transmission combining instantaneous "solid" response with nearly imperceptible up-shifting is new for 1958. It introduces a new drive position for solid feel take-off or all-out acceleration thru all three gear ranges. An improved Fordomatic transmission also is available.

Can Ride on Air

Also new will be air suspension, optional for Ford Fairlanes, Fairlane 500's and station wagons with V-8 engines and automatic transmissions in 1958.

Air domes, made of specially strengthened rubber reinforced with steel sleeves, substitute for springs at each wheel. Air pressure inside the domes, which is supplied by a compressor and air storage tank, varies according to the weight of passengers and luggage to keep the car at a constant height and optimum springing for a "boulevard ride". Switches on the car's doors operate valves to quickly readjust height and balance when passengers enter or alight. Other valves make slower adjustments for luggage, etc.

Ford also continues its policy of improving safety packaging for driver and passengers, which it pioneered in its 1956 models. The deep center steering wheel, shatter-proof rear view mirror and safety door locks, standard in all models, and the optional seat belts and padded instrument panel and sun visors all have been improved for 1958.

Exterior trim and interior fabrics and color treatments will be new for 1958 as will distinctive two-tone combinations of new colors. Optional equipment includes a full line of power assists, two models of transistorized radios, two models of air conditioning units, and two types of heaters.

The new Fords may be seen at Cooper and Hostert garage, Mokena; Cooper Show Ford, Frankfort, and English Brothers Ford Agency, Tinley Park.

Homewood Players To Present "Joan Of Lorraine" Nov. 1-2

The Homewood Players are to present "Joan of Lorraine" Nov. 1 and 2 in the Homewood village auditorium. Curtain time is 8:30 o'clock.

The play is sponsored by the Young Adult Group of the Flossmoor Community church and marks the opening of the Players second season at Homewood.

The piece is a two-act drama by Maxwell Anderson, and as the title tells, deals with the life and time of Joan d' Arc.

LITTLE BILL says:

6¢ a load
is all you pay —
to dry the clean
electric way

An electric dryer does all this for just 6¢: 3 big bath towels, 6 hand towels, 2 sheets, 2 pairs shorts, 2 T-

shirts, 5 pairs of socks, 3 pillowcases, 2 men's shirts. This average 8-lb. load will take only 25 to 30 minutes.

**Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic**

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

Just 6¢ to dry an 8-lb. load of clothes the electric way. And the electric way is the completely automatic way. No igniting devices to get out of order.

Clothes dried in an electric dryer have the good fresh smell of all outdoors, too. Electric heat is radiant heat . . . like the sun. Clean and dry . . . with no combustion odors to mix with the clothes.

Electric dryers are fast. You can dry a whole load of cottons in just 25 to 30 minutes. And all the "no-vent" dryers are electric. Your laundry stays clean, dry and comfortable, makes venting unnecessary.

You'll be amazed when your electric appliance dealer tells you how little it costs to own an electric dryer. Why not see about it soon?

New Luxury Items Feature 1958 Chryslers

The 1958 Chrysler line, introducing a new Windsor series and two new nine-passenger station wagons, will be shown by Schuldt Motor Sales, Oak Park ave., Tinley Park, beginning tomorrow, Nov. 1.

Combining such innovations as auto-pilot, a new pushbutton automatic driver assist, aircraft-type bubble windshields and improved full-time power steering, the 1958 Chryslers are offered in the New York and Saratoga series, plus a new Windsor series in a lower price range.

Beautiful new grilles, plus side and rear styling detail refinements give the new Chrysler added glamour. Interiors are all new with luxurious fabrics and leathers color keyed to a wide range of exterior colors. Improved V-8 engines give added performance and economy with new 10 to 1 compression ratios.

The new cars offer advanced sure-traction differential, captive air tires and dual headlights. They feature award-winning four-billion-mile-tested torsion-air ride as standard equipment. There is also the new Chrysler 300-D with optional fuel injection.

For 1958 Chrysler introduced auto-pilot, an unusual new safety, comfort and economy feature which differs from any speed control device previously marketed. Auto-pilot allows selection of any cruising speed by means of a dial on the instrument panel. When the car has attained this pre-selected speed a warning back-pressure develops on the accelerator pedal.

By pushing a button recessed in the speed selector, the driver arranges automatic throttle control. The driver can then remove his foot from the accelerator pedal. Automatic control is cancelled by a touch on the

brake pedal.

Fourteen models in three series are offered. The Chrysler Windsor is available in a four-door sedan, two-door hardtop, four-door hardtop, two-seat Town and Country station wagon and three-seat Town and Country station wagon.

The Saratoga is available in a four-door sedan, two-door hardtop and four-door hardtop. The New Yorker is offered in a four-door sedan, two-door hardtop, four-door hardtop, convertible, two-seat Town and Country station wagon and three-seat Town and Country station wagon.

They are available in a choice of 18 new colors and 45 color combinations. High-swept fender fins carry out an aircraft-derived tail shape.

There is also a new Chrysler 300-D with optional fuel injection engine.

New Yorker and Saratoga models feature narrow horizontal grille bars which stretch across the front of the car, wrapping around to front wheel openings on each side. A heavy main bumper flares into wing-type end guards above a bumper bar framing a wide air scoop.

Aircraft-type bubble windshields are standard on all two-door hardtops, four-door hardtops and convertibles.

New tail light lenses are set into high-swept canted tail fins. Back-up lights are positioned directly beneath tail lights.

Improved pushbutton torque flite transmission is standard on New Yorkers and Saratogas and optional in Windsors.

All Chryslers for 1958 are powered by modified V-8 engines with new 10-to-one compression ratios for greater performance and increased fuel economy. The possible new and more economical higher compression ratio makes cal 2.93-to-one rear axle ratios, which require fewer engine revolutions for each mile of driving.

The Windsor series has a 290-horsepower engine. The Saratoga series has a 310-horsepower engine. The fire power engine in the New Yorker series has a 345-horsepower engine.

A new constant-control power steering unit with increased on-

center feel for the driver is standard equipment on all Saratoga and New Yorker models and optional on Windsor. Steering effort is proportional to the force required to turn the front wheels.

Included in a complete range of power, luxury and safety equipment offered are auto-pilot, power brakes, power windows, improved transistorized radios, Solex tinted glass, power radio antenna, captive-air tires, rear shelf radio speaker and rear window defogger.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

The Busy Hour 4-H club met Oct. 26 in the home of their leader, Mrs. Alice Chestnut. The evening started with a hay rack ride that was chaperoned by Mrs. William Malloy, Mrs. Dan Owen, Mrs. Robert Taylor, Mrs. Marcel Halik, and Mrs. Alice Vanek. When the group returned to the Chestnut home they enjoyed a weiner roast and Halloween party that had been planned by Mrs. Chestnut. Games were played and many goodies were consumed. A short business meeting followed when it was planned to hold the next meeting Nov. 15 at 7:30 p.m. in the Schmuhl school.

Mr. and Mrs. Vernon New-some and friends went to Chicago Saturday night and saw Cinerama's Seven Wonders of the World, at the Palace theatre.

Mr. and Mrs. Clifford White had as their guests over the past week-end, her mother and brother, Mrs. Alberta Hinkle and Bill, who stopped here enroute to their new home at Los Angeles, Calif., and her grandmother, Mrs. Julia Evans from Valparaiso, Ind.

Cub Scout Pack 41 of Lincolnwood Hills held a Pack meeting Tuesday night at the Schmuhl school, with a Halloween party.

Den 1 of the Cub Scouts met Saturday in the home of their leader Mrs. Richard Pokorny. Mrs. Cortright assisted.

Mrs. Marcel Halik entertained in her home Tuesday night at a

Halloween party for the members of her Sunday school class at the Methodist church, and the members of the Busy Hour 4-H club. There were about 25 in attendance. Games were enjoyed, and a barbecue supper was served. Decorations were in keeping with Halloween.

Builder Sued for Pumping Water on Park District Land

(CNS)—Oak Lawn park district has sued a building company for \$2,000 for flooding Beverly Lawn park without permission during the week of August 5-9.

The County court suit charged Nelson Brothers Building Contractors, Inc., pumped water out of foundation under excavation at 100th and Kostner into the park, flooding, damaging and making it unusable.

Attorney Louis F. Cainkar, representing the park district, pointed out the Chicago area's

record heavy rain fell the night of July 12.

Beverly Lawn park extends south of 99th street to 100th street between Kostner and Ken-neth in Oak Lawn.

Two American destroyers, the Fanning and Nicholson, operating off the coast of Scotland, depth charged, shelled and sunk the German sub U-58 Nov. 17, 1917, marking the first sinking of an enemy sub by U. S. war-ships.

1958 CHRYSLER PLYMOUTH NOW ON DISPLAY

Many New Features On 1958 Plymouth

Silver Dart two-tone exterior styling trim, sweeping backward and up to the tip of the Plymouth Belvedere 4-door hardtop's familiar fins, is new with 1958 Belvedere models and Sport Suburban station wagons. The contrasting dart is available either in anodized aluminum for a striking new effect, or in compatible colors. Plymouth's outstanding Torsion-Aire suspension system and its trouble-free mechanical push button controls are retained for 1958. Six engine options, a new Constant-Control power steering system providing Plymouth's famous full-time ease of operation, a new Sure-Grip differential and a new automatic Econo-Choke are available on 1958 Plymouth cars being introduced in dealer showrooms across the nation on November 1.

1958 CHRYSLER WINDSOR IN NEW LOW PRICE RANGE

The 1958 Chrysler Windsor four-door hardtop is all new in a lower price range. It features dual headlights as standard equipment, aircraft-type bubble windshields, new power steering, pushbutton TorqueFlite transmission and Torsion-Aire ride, the only advanced suspension available as standard equipment. The Windsor is also offered in a two-door hardtop, four-door sedan, two-seat Town and Country wagon and three-seat wagon. It is powered by a 290 horsepower engine.

Castle Says Use, Not Acreage Should Mark Zoning Of Farm Land

Zoning ordinances in Illinois counties should define farm land only in the terms of "use" and not in the terms of "acreage", Attorney General Latham Castle held in an official opinion, last week-end.

Illinois' County Zoning Act, Castle's opinion advised State's Attorney John J. Hoban of St. Clair county, "makes it clear that county zoning is a governmental regulation of the uses

of land and buildings according to districts or zones. The primary motive of zoning is said to be the limitations or restrictions upon the use of property."

Castle's opinion pointed out that the County Zoning Act provides that "permits with respect to buildings or structures used or to be used for agricultural purposes shall be issued free of charge." The opinion also stated that the county zoning act "does

not authorize regulation or require any permits with respect to land used or to be used for agricultural purposes, or with respect to buildings used or to be used for agricultural purposes, excepting that such buildings may be required to conform to setback lines."

Size No Factor

Castle's opinion set forth that if a tract of land "is used for the growing of the usual farm products and raising of the usual farm poultry and farm animals, it would seem that the land is used for agricultural purposes, irrespective of whether it is a large or small farm, or whether or not it contains many or few acres."

Castle's opinion further held that use of property which does

not conform with provisions of the county zoning act, which use existed at the time the county zoning ordinance or resolution went into effect, cannot be prohibited or restrained, where such use is lawful and does not constitute a public nuisance or which is not harmful to public health, safety, morals or welfare. A county, the opinion held, can limit the extension of a non-conforming use of property. A county zoning ordinance may provide, Castle's opinion stated, that where a non-conforming use of property has been permanently discontinued, or abandoned, or changed, the use thereafter must conform to the use permitted in the district in which the land is located.

Experimental work at the Illinois agricultural experiment station shows that soybean meal puts on just as efficient gains as the more complex supplements.
